The Poets and Poetry of America ... With Additions by R. H. Stoddard. Carefully Revised, Much Enlarged, and Continued to the Present Time, Etc Rufus Wilmot GRISWOLD, 1872 *The Cultural Sociology of Art and Music* Lisa McCormick, 2022-12-16 This edited collection develops the Strong Program's contribution to the sociological study of the arts and places it in conversation with other cultural perspectives in the field Presenting some of the newest and most original research by both renowned figures and early career scholars the volume marks a new stage in the development of the cultural sociology of art and music The chapters in Part 1 set new agendas by reflecting on the field's history presenting theoretical innovations and suggesting future directions for research Part 2 explores aesthetic issues and challenges in the creation experience and interpretation of art and music Part 3 focuses on the material environments and social settings where people engage with art and music In Part 4 the contributors examine controversies about music and contestation over artistic matters whether in the public sphere in the American judicial system or in an emerging academic discipline The editor's introduction and Ron Eyerman's afterword place the chapters in context and reflect on their collective contribution to meaning centered sociology *Orthodox Revivalism in Russia* Milena Benovska, 2020-10-12 Orthodoxy has achieved a large scale revival in Russia following the collapse of Communism However paradoxically although there is a high level of identification with Orthodoxy there is in fact a low level of church attendance This book based on in depth ethnographic fieldwork explores the social background and moral attitudes of the little flock of believers who actively participate in religious life It reveals that the complex moral beliefs of the faithful have a disproportionately high impact on Russian society overall that among the faithful there is a strong emphasis on striving for personal perfection but that also there are strong collective ideas concerning religious nationalism and the synergy between the secular and the religious *Wong Kar-Wai* Stephen Teo, 2019-07-25 This study of Hong Kong cult director Wong Kar wai provides an overview of his career and in depth analysis of his seven feature films to date Teo probes Wong's cinematic and literary influences from Martin Scorsese to Haruki Murakami yet shows how Wong transcends them all *Aloha Compadre* Rudy P. Guevarra, 2023-07-14 *Aloha Compadre* Latinxs in Hawai'i is the first book to examine the collective history and contemporary experiences of the Latinx population of Hawai'i This study reveals that contrary to popular discourse Latinx migration to Hawai'i is not a recent event In the national memory of the United States for example the Latinx population of Hawai'i is often portrayed as recent arrivals and not as long term historical communities with a presence that precedes the formation of statehood itself Historically speaking Latinxs have been voyaging to the Hawaiian Islands for over one hundred and ninety years From the early 1830s to the present they continue to help shape Hawai'i's history yet their contributions are often overlooked Latinxs have been a part of the cultural landscape of Hawai'i prior to annexation territorial status and statehood in 1959 *Aloha Compadre* also explores the expanding boundaries of Latinx migration beyond the western hemisphere and into Oceania [Asian American](#)
