The Fortunes of Indigo Skye Deb Caletti, 2009-04-07. Eighteen-year-old waitress Indigo Skye's life is upended when a mysterious man leaves her a multi-million dollar tip. In this funny and moving novel by Printz Honor medal winner and National Book Award finalist Deb Caletti, I suddenly see where I'm standing and that's at the edge of change, really, really big change. Eighteen-year-old Indigo Skye feels like she has it all: a waitress job she loves, an adorable refrigerator delivery guy boyfriend, and a home life that's slightly overwhelming but rich in love. Until a mysterious man at the restaurant leaves her a 2.5 million dollar tip, and her life as she knew it is transformed. At first it's amazing: a hot new car, enormous flat screen TV, and presents for everyone she cares about. She laughs off the warnings that money changes people, that they come to rely on what they have instead of who they are. Because it won't happen to her. Or will it? What do you do when you can buy anything your heart desires but what your heart desires can't be bought? This is the story of a girl who gets rich, gets lost, and ultimately finds her way back, if not to where she started, then to where she can start again.
