

TATTOO

With analysts questioning whether the popularity of tattoos has reached its peak, the National Post takes a look at the current state of the tattoo industry, who gets them, how they're applied and what to do when you want to get rid of them.

HOW MUCH WILL IT HURT?

Yrreast tattooist Matthew Ellis used to tell his clients that the procedure would feel like "a cat's scratch or a dull knife running along your skin." But after more than 15 years in the business, Mr. Ellis has seen the pain vary so drastically between customers that he now prefers to say "a tattoo feels like a tattoo."

"There's nothing else like it," said the artist, who co-owns Seven Dreams Tattoo in Toronto. "It's not that bad. The popularity of tattoos has almost to that."

Reed,2016-09-24 Studies of four musicians and a broader discussion about diaspora and migration provides an important study of African music in the United States Alex Perullo author of Live from Dar es Salaam Daniel B Reed integrates individual stories with the study of performance to understand the forces of diaspora and mobility in the lives of musicians dancers and mask performers originally from C te d Ivoire who now live in the United States Through the lives of four Ivorian performers Reed finds that dance and music being transportable media serve as effective ways to understand individual migrants in the world today As members of an immigrant community who are geographically dispersed these performers are unmoored from their place of origin and yet deeply engaged in presenting their symbolic roots to North American audiences By looking at performance Reed shows how translocation has led to transformations on stage but he is also sensitive to how performance acts as a way to reinforce and maintain community Abidjan USA provides a multifaceted view of community that is at once local national and international and where identity is central but transportable fluid and adaptable Daniel B Reed s

scholarship is solid and his writing style is thoroughly engaging The topic is novel there are fascinating twists and turns throughout Eric Charry editor of Hip Hop Africa This study s attention to the intersection of lived experiences with wider historical events and social formations as well as the author s careful analysis of Ivorian ballet and the dances and drum rhythms that constitute the genre make Abidjan USA an important intervention in ethnomusicology and folklore Journal of American Folklore

A Profound Weakness Betty Spackman,2005 In this image journal and textbook the contemporary artist Betty Spackman takes us on a guided tour of her collection of the images and objects that represent the Christian faith in popular culture Having set out to critique these poor relations of ecclesiastical art she finds herself torn between being deeply moved and outraged by their sentimental appeal Her gentle deconstructions and playful permutations elicit new life from them to illustrate her observations and to surprise and at times unsettle the reader A closing questionnaire prompts further reflection This is a book that can help us greatly to make sense of the pictures that unwittingly may have shaped our faith or unfaith It is highly recommended for artists teachers preachers youth leaders parents and spiritual counsellors Book jacket
