Power and the Pulpit Gerald Hiestand, Joel Lawrence, 2025-10-22 The evangelical tradition places the sermon at the center of church life We build buildings around pulpits and preachers We champion gifted communicators We celebrate effective homiletical techniques But too often these emphases are not the result of deep theological convictions but of the church's adoption of modern visions of communication and success In our day preaching is easily unmoored from its biblical theological and historical anchors Too often it has become a tool of celebrity We have seen pulpits and preaching taken captive by political and pragmatic ideologies The teaching office of the church has sometimes been manipulated to secure and maintain human power The present condition of much preaching in our time compels us to ask What is our theology of preaching Is our vision of the sermon rooted in the miracle of God's word proclaimed or in the desire to entertain Is our preaching a function of a theology of glory or a theology of the cross Reflecting on such questions the essays in this volume seek to chart a path forward for word centered God glorifying preaching

Shaddix,1999-06-10 The call to preach is just that a call to preach The call to preach however is more than just preaching The call to preach is a call to prepare Too many pastors have refrained from preparation while they await the Holy Spirit to do all of the work God expects preachers to prepare sermons as much as possible and allow Him to prepare the preachers Join Dr Jerry Vines and Dr Jim Shaddix as they achieve a balanced approach to teaching sermon preparation in Power in the Pulpit This book combines the essential perspectives of a pastor of forty years with another pastor who also devotes daily time to training pastors in the context of theological education Thus Power in the Pulpit is a practical preaching help from a pastoral perspective in the tradition where expository preaching is a paramount and frequent event in the life of the local church Power in the Pulpit is the combined work of Dr Vines s two earlier publications on preaching A Practical Guide to Sermon Preparation Moody Press 1985 and A Guide to Effective Sermon Delivery Moody Press 1986 Dr Shaddix carefully organizes and supplements the material to offer this useful resource which closes the gap between classroom theory and what a pastor experiences in his weekly sermon preparation **Overcoming Sermon Block** William Powell Tuck,2014-04-07 When called on to preach whether you are a pastor or lay preacher do you sometimes find yourself blocked Writer s block is a common complaint from many authors They reach a point sometimes when they simply cannot produce anything worth reading Preachers often encounter this same kind of roadblock when they attempt to prepare sermons William Powell Tuck With this opening sentence Dr Tuck brings his many years of experience as professor and pastor and freely gives some nuts and bolts of sermon preparation and pots and pans essential for effective preaching This book is not about the philosophy or theology of preaching but about preparing for writing and preaching a sermon While the reader may
