Unbought And Unbossed Transgressive Black Women Sexuality And Representation:

Unbought and Unbossed Trimiko Melancon,2014-11-28 *Unbought and Unbossed* critically examines the ways black women writers in the 1970s and early 1980s deploy black female characters that transgress racial gender and especially sexual boundaries Trimiko Melancon analyzes literary and cultural texts including Toni Morrison's *Sula* and Gloria Naylor's *The Women of Brewster Place* in the socio cultural and historical moments of their production She shows how representations of black women in the American literary and cultural imagination diverge from stereotypes and constructions of whiteness as well as constructions of female identity imposed by black nationalism Drawing from black feminist and critical race theories historical discourses on gender and sexuality and literary criticism Melancon explores the variety and complexity of black female identity She illuminates how authors including Ann Allen Shockley Alice Walker and Gayl Jones engage issues of desire intimacy and independence to shed light on a more complex black identity one ungoverned by rigid politics over determined by race gender and sexuality

Black Female Sexualities Trimiko Melancon,Joanne M. Braxton,2015-01-26 Western culture has long regarded black female sexuality with a strange mix of fascination and condemnation associating it with everything from desirability hypersexuality and liberation to vulgarity recklessness and disease Yet even as their bodies and sexualities have been the subject of countless public discourses black women's voices have been largely marginalized in these discussions In this groundbreaking collection feminist scholars from across the academy come together to correct this omission illuminating black female sexual desires marked by agency and empowerment as well as pleasure and pain to reveal the ways black women regulate their sexual lives The twelve original essays in *Black Female Sexualities* reveal the diverse ways black women perceive experience and represent sexuality The contributors highlight the range of tactics that black women use to express their sexual desires and identities Yet they do not shy away from exploring the complex ways in which black women negotiate the more traumatic aspects of sexuality and grapple with the legacy of negative stereotypes *Black Female Sexualities* takes not only an interdisciplinary approach drawing from critical race theory sociology and performance studies but also an intergenerational one in conversation with the foremothers of black feminist studies In addition it explores a diverse archive of representations covering everything from blues to hip hop from *Crash* to *Precious* from Sister Souljah to Edwidge Danticat Revealing that black female sexuality is anything but a black and white issue this collection demonstrates how to appreciate a whole spectrum of subjectivities experiences and desires

Class Interruptions Robin Brooks,2021-12-20 As downward mobility continues to be an international issue Robin Brooks offers a timely intervention between the humanities and social sciences by examining how Black women's cultural production engages debates about the growth in income and wealth gaps in global society during the late twentieth and early twenty first centuries Using an interdisciplinary approach this innovative book employs major contemporary texts by both African American and Caribbean writers Toni Morrison Gloria Naylor Dawn Turner Olive Senior

Oonya Kempadoo Merle Hodge and Diana McCauley to demonstrate how neoliberalism within the broader framework of racial capitalism reframes structural inequalities as personal failures thus obscuring how to improve unjust conditions Through interviews with authors textual analyses of the fiction and a diagramming of cross class relationships Brooks offers compelling new insight on literary portrayals of class inequalities and division She expands the scope of how the Black women s literary tradition since the 1970s has been conceptualized by repositioning the importance of class and explores why the imagination matters as we think about novel ways to address long standing and simultaneously evolving issues

Against Their Will Tammie Jenkins, 2025-08-20 Black women novelists use their female characters to create stories that challenge stereotypical depictions regarding womanhood trauma and legacies in the larger society Such women novelists rooted in literary tradition traceable to the nineteenth in which they endeavored to insert their voices into these conversations while deconstructing these depictions Modernized in the 1970s this literary tradition has enabled Black women novelists to expand their novelic stories that include semiautobiographical accounts blended with fiction Novelists such as Toni Morrison Gayl Jones Alice Walker Octavia Butler Ntozake Shange Gloria Naylor and Edwidge Danticat use their texts to present readers with alternative portrayals of Black female characters Using singular monolithic texts by each author this book explores how Morrison Jones Walker Butler Shange Naylor and Danticat present readers with female characters that use their lived experiences social realities and storytelling to navigate their womanhood heal their trauma and create their legacies Key audiences for the book include undergraduate and graduate students and instructors in Women and Gender Studies courses and African American literature *The Digital Lives of Black Women in Britain* Francesca Sobande, 2020-08-11 Based on interviews and archival research this book explores how media is implicated in Black women s lives in Britain From accounts of twentieth century activism and television representations to experiences of YouTube and Twitter Sobande s analysis traverses tensions between digital culture s communal counter cultural and commercial qualities Chapters 2 and 4 are available open access under a Creative Commons Attribution 4.0 International License via link [springer.com](https://www.springer.com) *Black Cultural Production after Civil Rights* Robert J Patterson, 2019-08-30 The post civil rights era of the 1970s offered African Americans an all too familiar paradox Material and symbolic gains contended with setbacks fueled by resentment and reaction African American artists responded with black approaches to expression that made history in their own time and continue to exercise an enormous influence on contemporary culture and politics This collection s fascinating spectrum of topics begins with the literary and cinematic representations of slavery from the 1970s to the present Other authors delve into visual culture from Blaxploitation to the art of Betye Saar to stage works like *A Movie Star Has to Star in Black and White* as well as groundbreaking literary works like *Corregidora* and *Captain Blackman* A pair of concluding essays concentrate on institutional change by looking at the Seventies surge of black publishing and by analyzing Ntozake Shange s *For colored girls* in the context of current controversies surrounding sexual violence Throughout the writers reveal how

Seventies black cultural production anchors important contemporary debates in black feminism and other issues while spurring the black imagination to thrive amidst abject social and political conditions Contributors Courtney R Baker Soyica Diggs Colbert Madhu Dubey Nadine Knight Monica White Ndounou Kinohi Nishikawa Samantha Pinto Jermaine Singleton Terrion L Williamson and Lisa Woolfork **Understanding Alice Walker** Thadious M. Davis, 2021-08-20 Understanding Alice Walker serves both as an introduction to the Pulitzer Prize and National Book Award winner's large body of work and as a critical analysis of her multifaceted canon Thadious M Davis begins with Walker's biography and her formative experiences in the South and then presents ways of accessing and reading Walker's complex interconnected and sociopolitically invested career in writing fiction poetry critical essays and meditations Although best known for her novel *The Color Purple* and her landmark essays *In Search of Our Mothers' Gardens* Womanist Prose Walker began her career with *Once Poems* *The Third Life of Grange Copeland* and *In Love and Trouble* Stories of Black Women She has remained committed not merely to writing in multiple genres but also to conveying narratives of the hope and transformation possible within the human condition and as visualized through the lens of race and gender Davis traces Walker's literary voice as it emerges from the civil rights and feminist movements to encourage an individual and collective search for justice and joy and then evolves into forceful advocacy for world peace spiritual liberation and environmental conservancy Her writing a rich amalgamation of the cutting edge and popular the new age and difficult continues to be paradigm shifting and among the most important produced in the last half of the twentieth century and among the most consistently prophetic in the first part of the twenty first century

The Repeating Body Kimberly Juanita Brown, 2015-08-27 Haunted by representations of black women that resist the reality of the body's vulnerability Kimberly Juanita Brown traces slavery's afterlife in black women's literary and visual cultural productions Brown draws on black feminist theory visual culture studies literary criticism and critical race theory to explore contemporary visual and literary representations of black women's bodies that embrace and foreground the body's vulnerability and slavery's inherent violence She shows how writers such as Gayl Jones Toni Morrison Audre Lorde and Jamaica Kincaid along with visual artists Carrie Mae Weems and Mar a Magdalena Campos Pons highlight the scarred and broken bodies of black women by repeating passing down and making visible the residues of slavery's existence and cruelty Their work not only provides a corrective to those who refuse to acknowledge that vulnerability but empowers black women to create their own subjectivities In *The Repeating Body* Brown returns black women to the center of discourses of slavery thereby providing the means with which to more fully understand slavery's history and its penetrating reach into modern American life **Maverick Feminist** Kemeshia Randle Swanson, 2024-03-26 Winner of the 2024 Eudora Welty Prize Beginning with their forced introduction to American soil Black women have relied on maverick like characteristics to survive And yet these liberating qualities have been repeatedly disparaged by the masses in favor of an elitist politics of respectability In *Maverick Feminist To Be Female and Black in a Country Founded upon Violence and Respectability* scholar

Kemeshia Randle Swanson examines the extent to which the politics of respectability diminish joy and increase sorrow throughout the lifespan of Black women. By rejecting this damaging standard in society, Black women can wholly and attentively assist in the obliteration of racist, sexist, classist, and ableist oppression. But first, they must work towards becoming self-identified, self-actualized, and self-sexualized. Bridging the gap between women in both the streets and the academy, *Maverick Feminist* expands the traditional understandings of activism and enlarges discussions about Black female sexuality. Swanson emphasizes sexuality's significance to the literary and sociopolitical success of Black women of the past and in this contemporary climate. Through close readings and critical analyses of fiction, nonfiction, and popular culture, Swanson argues that Black Girl Magic and racial progression require rejecting respectability politics and developing an intimate appreciation of self. *Maverick Feminist* examines texts by and about bold Black women, including Zora Neale Hurston's *Their Eyes Were Watching God*, Sister Souljah's *The Coldest Winter Ever*, Brittney Cooper's *Eloquent Rage: A Black Feminist Discovers Her Superpower*, Alice Walker's *The Color Purple*, Sapphire's *PUSH*, Roxane Gay's *Hunger: A Memoir of My Body*, Terry McMillan's *Getting to Happy*, and Michelle Obama's *Becoming*. *Maverick Feminist* offers hope concerning the growing divide between scholars and the communities about which they theorize. The book celebrates centuries of agency and control that Black women have mustered and maintained in a world that seems to want nothing more than to see them prone and powerless. Ultimately, maverick feminism provides a freer means of living out, evaluating, understanding, and improving the lives of Black women.

African American Literature Hans Ostrom, J. David Macey Jr., 2019-11-15 This essential volume provides an overview of and introduction to African American writers and literary periods from their beginnings through the 21st century. This compact encyclopedia, aimed at students, selects the most important authors, literary movements, and key topics for them to know. Entries cover the most influential and highly regarded African American writers, including novelists, playwrights, poets, and nonfiction writers. The book covers key periods of African American literature, such as the Harlem Renaissance, the Black Arts Movement, and the Civil Rights Era, and touches on the influence of the vernacular, including blues and hip hop. The volume provides historical context for critical viewpoints, including feminism, social class, and racial politics. Entries are organized A to Z and provide biographies that focus on the contributions of key literary figures, as well as overviews, background information, and definitions for key subjects.

Toni Morrison and the New Black Jaleel Akhtar, 2018-06-14 Toni Morrison and the New Black examines how Morrison explores the concept of the new black in the context of post-soul, post-black, and post-racial discourses. Morrison evolves the new black as symbolic of unprecedented black success in all walks of life, from politics to the media, business, and beyond. The author's work shows how the new black reaffirms the possibility of upward mobility and success and stands as testimony to the American Dream that anyone can achieve material success provided they work hard enough for it.

Veil and Vow Aneeka Ayanna Henderson, 2020-01-29 In *Veil and Vow*, Aneeka Ayanna Henderson places familiar, often politicized questions about the crisis of African American marriage in conversation

with a rich cultural archive that includes fiction by Terry McMillan and Sister Souljah music by Anita Baker and films such as *The Best Man* Seeking to move beyond simple assessments of marriage as good or bad for African Americans Henderson critically examines popular and influential late twentieth and early twenty first century texts alongside legislation such as the 1996 Defense of Marriage Act and the Welfare Reform Act which masked true sources of inequality with crisis laden myths about African American family formation Using an interdisciplinary approach to highlight the influence of law politics and culture on marriage representations and practices Henderson reveals how their kinship veils and unveils the fiction in political policy as well as the complicated political stakes of fictional and cultural texts Providing a new opportunity to grapple with old questions including who can be a citizen a wife and marriageable Veil and Vow makes clear just how deeply marriage still matters in African American culture **Gloria Naylor's Fiction** Sharon A. Lewis,Ama S. Wattley,2017-11-06

This edited volume offers innovative ways of analyzing economics in Gloria Naylor s fiction using interpretive strategies which are applicable to the entire tradition of African American literature The writers gathered here embody years of insightful and vigorous Naylor scholarship Underpinning each of the essays is a celebratory validation that Naylor is one of the most provocative novelists of our time **To Live More Abundantly** Tamara Beauboeuf-Lafontant,2022-03

Aphrodite's Daughters Maureen Honey,2016-08-31 The Harlem Renaissance was a watershed moment for racial uplift poetic innovation sexual liberation and female empowerment Aphrodite s Daughters introduces us to three amazing women who were at the forefront of all these developments poetic iconoclasts who pioneered new and candidly erotic forms of female self expression Maureen Honey paints a vivid portrait of three African American women Angelina Weld Grimk Gwendolyn B Bennett and Mae V Cowdery who came from very different backgrounds but converged in late 1920s Harlem to leave a major mark on the literary landscape She examines the varied ways these poets articulated female sexual desire ranging from Grimk s invocation of a Sapphic goddess figure to Cowdery s frank depiction of bisexual erotics to Bennett s risky exploration of the borders between sexual pleasure and pain Yet Honey also considers how they were united in their commitment to the female body as a primary source of meaning strength and transcendence The product of extensive archival research Aphrodite s Daughters draws from Grimk Bennett and Cowdery s published and unpublished poetry along with rare periodicals and biographical materials to immerse us in the lives of these remarkable women and the world in which they lived It thus not only shows us how their artistic contributions and cultural interventions were vital to their own era but also demonstrates how the poetic heart of their work keeps on beating Beyond Monogamy Mimi
