The Works of the Reverend and Learned Isaac Watts Isaac Watts,1810 **Commentary on the Whole Bible Volume III (Job to Song of Solomon) , The Works of the Rev. Isaac Watts D.D. in Nine Volumes** Isaac Watts,1813 **An Exposition of All the Books of the Old and New Testaments** Matthew Henry,1804 The Works John Bunyan,1736

The Works of John Bunyan: Experimental, doctrinal, and practical John Bunyan,1850 **Revelation for Everyone** N. T. Wright,2004-01-01 Enlarged print edition now available In this final installment of the New Testament for Everyone series Tom Wright explores the book of Revelation With clear accesible language Wright offers us an entrance into the final book of the New Testament While the book of Revelation has often been written off as a foretelling of doom it is much more complex than this and has captured the imaginations of both lay and professional readers Tom Wright has undertaken a tremendous task to provide guides to all the books of the New Testament and to include in them his own translation of the entire text Each short passage is followed by a highly readable discussion with background information useful explanations and suggestions and thoughts as to how the text can be relevant to our lives today A glossary is included at the back of the book The series is suitable for group study personal study or daily devotions **Revelation** M. Eugene Boring,2011-08-26

Throughout the history of Christianity the book of Revelation has had an enormous influence in religion history and culture and it still has an urgently needed message for the church M Eugene Boring s critical assessment of Revelation enlightens readers as to just what that message is Interpretation A Bible Commentary for Teaching and Preaching is a distinctive resource for those who interpret the Bible in the church Planned and written specifically for teaching and preaching needs this critically acclaimed biblical commentary is a major contribution to scholarship and ministry **The Works of that Eminent Servant of Christ, Mr. John Bunyan** John Bunyan,Samuel Wilson,1736 **Afterlife and Resurrection Beliefs in the Apocrypha and Apocalyptic Literature** Jan Age Sigvartsen,2019-09-19 Jan A Sigvartsen seeks to examine the immense interest in life after death and speculation about the fates awaiting both the righteous and the wicked that proliferated in the Second Temple period In this volume Sigvartsen explores the Apocrypha and the apocalyptic writings in the Pseudepigrapha He identifies the numerous afterlife and resurrection beliefs and presents an analysis that enables readers to easily understand and compare the wide ranging beliefs regarding the afterlife that these texts hold A careful reading of these resurrection passages including passages appearing in Sirach Maccabees the Sibylline Oracles and the Ezra texts reveals that most of the distinct views on life after death regardless of their complexity show little evidence of systematic development relational to one another and are often supported by several key passages or shared motifs from texts that later became a part of the TaNaKh Sigvartsen also highlights the factors that may have influenced the development of so many different resurrection beliefs including anthropology the nature of the soul the scope of the resurrection the number and function of judgments and the final destination of the righteous and the wicked Sigvartsen s study provides a

deeper understanding of how the TaNaKh was read by different communities during this important period and the role it played in the development of the resurrection belief a central article of faith in both Christianity and Rabbinic Judaism
