

## Understanding Jurisprudence: An Introduction to Legal Theory, 3rd Edition

### Description :

*With a clear, engaging, and informal writing style, Understanding Jurisprudence is the perfect guide for students new to legal theory and looking for a convenient and interesting starting point for this sometimes daunting subject. Key theories and theorists are introduced in a compact and manageable format, offering an accessible account of the central ideas without oversimplification. Further reading suggestions are included throughout, helping students to structure their research and navigate the many texts and articles available in this subject area. Critical questions are also included in each chapter, to encourage students to think analytically about the law and the key ideas and debates which surround it. Professor Wacks is an experienced teacher of jurisprudence and excels in providing a concise, student-friendly introduction to the subject, while not avoiding the subtleties of this fascinating area of study. An extensive Online Resource Centre also accompanies this text ([www.oxfordtextbooks.co.uk/orc/wacks3e/](http://www.oxfordtextbooks.co.uk/orc/wacks3e/)) and includes the following valuable resources: - Author analysis of topical controversies such as political debates and current legal problems, to keep you informed of the relevance of jurisprudence to everyday life - Interactive self-test glossary of key terms -*
