Begin Your Wiccan Journey Did you know that Wicca is recognized by the U S government as an official religion with the observation of Wiccan holidays varying from state to state However for the past several hundred years Wicca and Witchcraft have been mistakenly associated with evil heathenism and unrighteousness In reality Wicca is a peaceful harmonious and balanced way of life which promotes oneness with the divine and all that exists To be a Witch is to be a Healer a Teacher a Seeker a Giver Protector of All Things Witches believe that the human mind has the power to effect change in ways that are not yet understood by science In their rituals as well as honouring their deities Witches also perform spells for healing and to help people with general life problems They understand that mankind is not superior to nature the earth and its creatures but instead we are simply one of the many parts both seen and unseen that combine to make the whole The heart of Wicca is not something summed up into a few short words and can often take on a different meaning to each To gain a fuller understanding I urge to read this book In This Book You Will Discover The Origins And Beliefs of Wicca Wiccan Spells Rituals Witchcraft How It Relates To Wicca The Power Of Herbs Life After Death Casting Spells For The Days Of The Week Gods and Goddesses of Healing Feel Empowered Principles of Magic Crystals Herbs Oils And Much Much More If you re ready to begin your Wiccan journey scroll to the top of the page and click Add To Cart **Wicca A to Z** Gerina Dunwich,2018-12-01
