Schneider, 2021-08-10 It was a time of faith Men believed To the chosen few the Christian God spoke directly and laid out His wishes and orders But He sometimes changed His mind Or perhaps His messages were not understood The year is 1135 in the town of Arles in what will much later become southern France Looming territorial wars between powerful families threaten to breach town walls False prophets travel from town to town preaching their heresies to eager crowds Calls for a Second Crusade to secure the Holy Land will begin to ring out Amid the noise the ears of Pons de Baucio a devout young canon at the Cathedral of Saint Troph me are still attuned to the small voice of his God which has faithfully guided him all his life But when God entrusts Pons with the message that he and his chapter must embrace the vita apostolica by adopting the Rule of St Augustine a lifestyle that will involve renouncing wives mistresses and families forsaking personal property and living communally the proposal is far from favorably received by Pons s fellow canons Thoroughly researched and rich in detail on actual historical persons places and events A Canon s Tale is the story of how Pons though met with challenges and resistance at every turn labors fervently and relentlessly for the next three decades to carry out his twofold mission to convince the canons that this is God s will and to oversee the construction and artistry of the cloister to make communal living possible All the while Pons must wage his own internal war against the forces of temptation Is Anything Happening? Robin Lustig, 2017-01-17 In the days before mobile phones the internet and 24 hour news channels the easiest way for a British foreign correspondent to find out what was going on in the world was to phone the local office of Reuters news agency and ask Is anything happening That s how the award winning BBC reporter and presenter Robin Lustig started out in journalism working for Reuters as an agency man During a

distinguished career spanning more than forty years he watched the world of news change beyond recognition as he reported on terror attacks wars and political coups In this witty and illuminating memoir Lustig looks back on his life as a newsman from coming under fire in Pakistan to reporting on the fall of the Berlin Wall from meeting Nelson Mandela to covering Princess Diana s sudden death Back in the studio Lustig lets us in through the BBC s back door for a candid behind the scenes look at some of his triumphs and disasters working for the nation s favourite broadcaster He writes of his childhood as the son of refugees from Nazi Germany and drawing on thirty years of reporting about the Middle East he comes to a startling conclusion about the establishment of the state of Israel Astute incisive and frequently hilarious Is Anything Happening is both an irresistible personal memoir and an insightful reflection on world events over the past forty five years

Gospel Love, Marriage and Divorce Randall Lamb,2020-03-05 The centrality of God in all things is not a novel concept to Christianity at least not in theory For centuries it would appear that the Church has somehow allowed herself to remove the God centered gospel definition from marriage and has subsequently fashioned a culturally subjective definition of love marriage and divorce that has left God in many respects far from the center This book however will pay less attention to our own domestic legacies of love marriage and divorce It is more so about the church covenants conditions true fidelity perseverance God centered joy authenticity fraud legalism and apostasy It is a journey into the kingdom of God wherein the visible and invisible church along with love marriage and divorce all seem to collide with the gospel of glory and grace

landscapes featuring rich character development and lush evocative prose that invites readers to engage deeply with Mary O'Neill's journey. This work employs naturalistic elements prevalent in Caine's contemporaneous literary milieu, revealing the undercurrents of passion and the harsh realities faced by women of the period. Sir Hall Caine, often referred to as the modern Scot, was a prominent novelist and playwright whose own experiences shaped his fascination with complex emotional landscapes and social issues. Born on the Isle of Man, Caine was influenced by the tumultuous social changes of his time, particularly regarding women's rights and societal roles. His commitment to depicting the struggles of individuals within rigid societal frameworks reflects his broader concerns about humanity and morality, making him a significant figure in Victorian and Edwardian literature. Readers seeking a profound exploration of love and societal roles will find *The Woman Thou Gavest Me* to be an enlightening and engaging read. Caine's nuanced portrayal of character and situation resonates with contemporary themes, making it not only a historical reflection but also a timeless meditation on the human condition. This novel is a must-read for those interested in literature that probes the depths of human longing and societal constraint.
