Biblical Sound and Sense Thomas P. McCreesh, 1991-01-01 *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1975 The Publishers' Trade List Annual, 1978 **Close to the Edge** Will Romano, 2017-01-01 The first half of the 1970s was an especially fertile period for British progressive rock laying claim to classics such as Tarkus Selling England by the Pound Larks Tongues in Aspic The Dark Side of the Moon and Thick as a Brick Collectively these and other works represent the best British progressive rock had to offer Yet it's Yes's 1972 three track masterpiece Close to the Edge that presents a snapshot of an adventurous rock band at the peak of its powers daring to push itself musically both as individuals and as a unit In this absorbing chronicle which draws upon dozens of original and archived interviews and features rare photographs and an extensive discography acclaimed music journalist Will Romano examines why Close to the Edge is the ultimate prog rock album Yes had previously penned epic tracks for The Yes Album and Fragile but nothing on the magnitude

of the musical gems appearing on *Close to the Edge* It's something of a small miracle perhaps even magic that the virtuoso quintet crafted such a cohesive and compelling album during an often hectic recording process that very nearly relegated this monumental work to the dustbin of history So potent was the power of *Close to the Edge* that even before its release it had forever shifted the personal dynamics of the group and the course of progressive rock Rarely had Yes or any rock outfit for that matter been simultaneously so expansive and concise spiritual and savage profound and nebulous *American and British Poetry* Harriet Semmes Alexander, 1984 California. Court of Appeal (2nd Appellate District). Records and Briefs California (State)., **Gary Soto** Ron McFarland, 2022-08-22 In a 1995 interview prolific Chicano writer Gary Soto noted Wonderment has always been a part of my life This book surveys Soto's immense range of poems stories novels essays and plays for audiences of prereaders to adults Soto's world moves from the cotton and beet fields of the San Joaquin Valley to the blue collar barrios of Fresno and to urban and suburban settings in Oakland and Berkeley Chapters analyze a wide variety of Soto titles from his breakout works like 1977's *The Elements of San Joaquin* to the Chato the Cat illustrated books for children With self-deprecating humor particularly in his poems Soto combines his wonderment with the trials and conflicts that beset him throughout life In such novels as *Jesse Buried Onions* and *The Afterlife* and in his stories for YA readers including *Baseball in April* and *Petty Crimes* his broad array of characters confront the anxieties and annoyances of adolescence Although he continues to motivate young Chicanos to read and write Soto stakes his greatest claims to literary prominence through his poems which are accessible to readers of all ages The Routledge Handbook of Persian Literary Translation Pounesh Shabani-Jadidi, Patricia J. Higgins, Michelle Quay, 2022-07-08 The Routledge Handbook of Persian Literary Translation offers a detailed overview of the field of Persian literature in translation discusses the development of the field gives critical expression to research on Persian literature in translation and brings together cutting edge theoretical and practical research The book is divided into the following three parts I Translation of Classical Persian Literature II Translation of Modern Persian Literature and III Persian Literary Translation in Practice The chapters of the book are authored by internationally renowned scholars in the field and the volume is an essential reference for scholars and their advanced students as well as for those researching in related areas and for independent translators of Persian literature Dramatics, 2003 **The Wisdom of Jesus** Charles W Hedrick, 2017-04-27 How would our understanding of Jesus change if we abandoned our preconceptions and focussed on his words alone How would this wisdom compare with that of ancient Israel and the early first century church Such questions pose serious difficulties Everything in the early Christian gospels is either derived from historical memory or is borrowed or invented argues Charles W Hedrick Of the many sayings attributed to Christ historians can only agree on a few as having been spoken by him and those few are far from certain In *The Wisdom of Jesus* Hedrick overcomes these challenges presenting a picture of Jesus as expressed through his own words The Jesus that emerges is a lower class man of the first century a complex figure who cannot be considered religious in a

traditional sense Liberated from theological explanation and interpretation his discourse is revealed as belonging to the secular world and his concerns to be those of common life *The Political Poetess* Tricia Lootens,2017 Cover Title
