South Africa Mdg Report:

Africa and the Millennium Development Goals Charles Mutasa, Mark Paterson, 2015-10-29 This unique work by the Centre for Conflict Resolution CCR Cape Town South Africa tracks the progress Africa has made in achieving the United Nations Millennium Development Goals MDGs since 2000 Thirteen analytical chapters written by scholars and practitioners with expertise in the various areas covered by the eight MDGs are organized around the larger themes of political economy structural issues sustainable goals and human development goals They critically assess the progress that Africa has made towards the achievement of the MDGs discuss how to accelerate that progress and offer alternatives and recommendations in support of institutions in Africa that are engaged in promoting the achievement of sustainable development Throughout they examine the role of various actors including the African Union Africa's regional economic communities the United Nations the European Union etc civil society and other external development partners in light of their contributions shortfalls and viable options in shaping the continent's development agenda Together they provide a unique assessment from experts on the ground of whether the goals were a success and what remains to be done to achieve sustainable economic and human development in Africa Millennium Development Goals (MDGs) in Retrospect Nathan Andrews, Nene Ernest

Khalema, N'Dri T. Assié-Lumumba, 2015-06-10 This volume examines the impact of the Millennium Development Goals MDGs on Africa's development post 2015 It assesses the current state of the MDGs in Africa by outlining the successes gaps and failures of the state goals including lessons learned A unique feature of the book is the exposition on post MDG's agenda for Africa's development Chapters on poverty south-south partnership aid gender empowerment health as well as governance and development explore what feasible alternative lie ahead for Africa beyond the expiry date of the MDGs South Africa and Agenda 2030 Daniel Silander, 2025-11-24 This volume brings together a comprehensive collection of analyses examining South Africa's commitment to the UN Sustainable Development Goals SDGs Integrating theoretical perspectives with empirical findings chapters provide a nuanced assessment of South Africa's successes and persistent challenges in meeting the Agenda 2030 targets

A History of South Africa Leonard Thompson, 2014-04-29 A magisterial history of South Africa from the earliest known human inhabitation of the region to the present Lynn Berat updates this classic text with a new chapter chronicling the first presidential term of Mbeki and ending with the celebrations of the centenary of South Africa's ruling African National Congress in January 2012 A history that is both accurate and authentic written in a delightful literary style Archbishop Desmond Tutu Should become the standard general text for South African history Recommended for college classes and anyone interested in obtaining a historical framework in which to place events occurring in South Africa today Roger B Beck History Reviews of New Books Advancing the Human Right to Health José M. Zuniga, Stephen P.

Marks, Lawrence O. Gostin, 2013-07-04 Advancing the Human Right to Health offers a prospective on the global response to one of the greatest moral legal and public health challenges of the 21st century achieving the human right to health as

enshrined in the Universal Declaration of Human Rights UDHR and other legal instruments Featuring writings by global thought leaders in the world of health human rights the book brings clarity to many of the complex clinical ethical economic legal and socio cultural questions raised by injury disease and deeper determinants of health such as poverty Much more than a primer on the right to health this book features an examination of profound inequalities in health which have resulted in millions of people condemned to unnecessary suffering and hastened deaths In so doing it provides a thoughtful account of the right to health s parameters strategies on ways in which to achieve it and discussion of why it is so essential in a 21st century context Country specific case studies provide context for analysing the right to health and assessing whether and to what extent this right has influenced critical decision making that makes a difference in people s lives Thematic chapters also look at the specific challenges involved in translating the right to health into action Advancing the Human Right to Health highlights the urgency to build upon the progress made in securing the right to health for all offering a timely reminder that all stakeholders must redouble their efforts to advance the human right to health

Achieving the Sustainable Development Goals Punctually Graeme Baber,2020-12-01 This book defines sustainable development setting out the launch of the Sustainable Development Goals SDGs from their inception in January 2011 to their operationalization in September 2015 It maps the Millennium Development Goals MDGs and their targets to the SDGs and their respective targets Nine SDGs are classified on the basis of the mapping exercise as proceeding from the MDGs and eight as new Goals One of the nine SDGs SDG 1 is the subject of a Continuation Microstudy the structure for which is also used for the Continuation Macrostudy that assesses the others from this group for punctual achievement One of the eight new Goals SDG 10 is the subject of a New Ground Microstudy the structure for which is condensed into a New Ground Macrostudy that evaluates the other new Goals for punctual accomplishment The book will be useful to students of development finance and economics policy makers in the area of sustainable development and members of the public who are interested in the world around us and in sustainable development in particular

Economic and Social Conditions in Southern Africa, 2004 ,2006 Gender-Based Violence and Femicide in South Africa Tameshnie Deane,2024-06-27 This book presents new perspectives on gender based violence GBV in South Africa It argues that violence against women is a manifestation of unequal gender relations and harmful manifestations of hegemonic masculinity which are governed by patriarchal beliefs institutions and systems It includes chapters on quantitative research that assess not only the levels and determinants of violence against women but also men s attitudes towards gender based violence perceptions of violence the legislative frameworks governing violence against women in South Africa and the current cases and jurisprudence relating to this scourge In spite of its focus on South Africa the book also provides insights for comparative scholars exploring the value of different constitutional articulations of human rights and how they support or fail to support efforts to combat violence against women By assessing recent incidents and responses to gender based violence the book provides a view of not only the societal but also jurisprudential

opportunities and pitfalls in this area that may be applicable elsewhere Gender equality and central to this the right of women to live lives free of violence is a precondition for full democratic participation and is a universal goal Accordingly the South African experience contributes to a wider understanding of the possibilities and limitations of societal and legal reform in challenging the ubiquity of violence against women The book is aimed at researchers practitioners students professionals and advocates in the field of gender based violence

Financing Human Development in Africa, Asia and the Middle East Rob Vos,Marco V. Sánchez,2014-01-09 How much would poor nations need to invest to eliminate poverty get all children in school and provide adequate basic health care for all Can they afford it Financing Human Development in Africa Asia and the Middle East provides some clear answers to these questions The contributors assess feasible financing strategies underpinning actions to enhance human development in pursuance of the United Nations Millennium Development Goals MDGs The contributors analyse these strategies in the context of broader concerns of economic development in nine countries in Africa Asia and the Middle East The assessments stress the importance of redesigning macroeconomic policies so as to make these more supportive of long term economic growth and employment creation while ensuring sufficient investments in human development in order to end poverty and overcome deep rooted inequalities Handbook of African Development

The MDGs, Capabilities and Human Rights Sakiko Fukuda-Parr, Alicia Yamin, 2017-10-02 Heralded as opening a new chapter in international development the Millennium Development Goals MDGs have led to the use of global goals and quantitative targets as a central instrument for defining global priorities This book explores the implications of this new approach How does target setting influence policy priorities of national governments bilateral donors multilateral agencies NGOs and other stakeholders What are the intended and unintended consequences Why is the use of numeric indicators effective How does quantification reshape meanings of challenges such as women s empowerment Building on 11 case studies and a conceptual framework this book provides a goal by goal analysis by leading specialists in the relevant fields These specialists analyse the choices made as well as the empirical and normative effects of the MDGs to offer insights for a more rigorous use of indicators and cautions on their limitations and perverse consequences This book was originally published as a special issue of the Journal of Human Development and Capabilities

Political Economy of

Post-apartheid South Africa Gumede, Vusi, 2017-05-05 The book made up of three parts covers a wide spectrum of political economy issues on post apartheid South Africa Although the text is mainly descriptive to explain various areas of the political economy of post apartheid South Africa the first and the last parts provide illuminating insights on the kind of society that is emerging during the twenty one years of democracy in the country The book discusses important aspects of the political history of apartheid South Africa and the evolution of post apartheid society including an important recap of the history of southern Africa before colonialism The text is a comprehensive description of numerous political economy phenomena since South Africa gained its political independence and covers some important themes that have not been discussed in detail in other publications on post apartheid South Africa The book also updates earlier work of the author on policy and law making land and agriculture education and training as well as on poverty and inequality in post apartheid South Africa thereby providing a wide ranging overview of the socio economic development approaches followed by the successive post apartheid administrations Interestingly three chapters focus on various aspects of the post apartheid South African economy economic policies economic empowerment and industrial development Through the lens of the notion of democratic developmental state and taking apartheid colonialism as a point of departure the book suggests that so far post apartheid South Africa has mixed socio economic progress The author s extensive experience in the South African government ensures that the book has policy relevance while it is also theoretically sound The text is useful for anyone who wants to understand the totality of the policies and legislation as well as the political economy interventions pursued since 1994 by the South African Government

SADC Gender Protocol 2015 Barometer Morna, Colleen Lowe, Dube, Sifiso, 2016-02-22 In August 2008 Heads of State of the Southern African Development Community adopted the ground breaking SADC Protocol on Gender and Development

This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance The SADC Gender Protocol is the only sub regional instrument that brings together existing global and continental commitments to gender equality and enhances these through time bound targets Aligned to Millennium Development Goal Three the original 28 targets of the Protocol targets expire in 2015 Now that 2015 is here we need to step back assess and reposition In June 2014 SADC Gender Ministers agreed to review the targets of the Gender Protocol in line with the Sustainable Development Goals SDGs In May this year ministers added that they want the Protocol to be accompanied by a Monitoring Evaluation and Results Framework The 2015 Barometer shows that implementation is now the biggest missing gap in the quest for gender equality Now is the time to strengthen resolve reconsider reposition and re strategise for 2030 SADC GENDER PROTOCOL BAROMETER 2015 2015 is here In August 2008 Heads of State of the Southern African Development Community adopted the ground breaking SADC Protocol on Gender and Development This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance The SADC Gender Protocol is the only sub regional instrument that brings together existing global and continental commitments to gender equality and enhances these through time bound targets Aligned to Millennium Development Goal Three the original 28 targets of the Protocol targets expire in 2015 Now that 2015 is here we need to step back assess and reposition In June 2014 SADC Gender Ministers agreed to review the targets of the Gender Protocol in line with the Sustainable Development Goals SDGs In May this year ministers added that they want the Protocol to be accompanied by a Monitoring Evaluation and Results Framework The 2015 Barometer shows that implementation is now the biggest missing gap in the quest for gender equality Now is the time to strengthen resolve reconsider reposition and re strategise for 2030
