To make your experience while using this book more satisfying, I emphasize recipes that engage multiple senses. On a rough day, there is nothing more satisfying than slapping around some bread dough, watching it rise, smelling it bake, and tasting that warm, yeasty goodness right out of the oven. My overarching goal is to inspire you to cook more and add your own stamp of creativity to recipes so that the experience of creating tasty and nutritious food becomes uniquely yours. On some recipes, you'll see ideas submitted by friends of mine who were recipe testers for this book. Throughout the book, you will find these icons which will enhance your experience.
