Rehabilitation Issues, Problems, and Prospects in Boot Camp Brent Benda,Nathaniel J. Pallone,2013-04-03 Boot camps what are their effects on criminal behavior Public and political support for boot camps as alternative correctional facilities has rarely faltered since their inception decades ago though their efficacy remains uncertain Rehabilitation Issues Problems and Prospects in Boot Camp explores all facets of the controversial issue from the attitudes and perceptions of the public to the political motivations in maintaining them on to the latest research on the camps and their graduates Respected authorities discuss boot camps effectiveness on diverse groups according to age gender race and correctional facility Cost factors between boot camps and other correctional institutions are compared along with the latest criminal recidivism data Boot camps provide inmates with an uncomfortable paramilitary style environment with an eye toward shorter incarceration time lower costs and more positive effects on criminal behavior Does this correctional model work as anticipated Rehabilitation Issues Problems and Prospects in Boot Camp gives you the facts revealing the public and political arguments for and against boot camps as well as the research on the theoretical predictors of criminal recidivism and the differing attitudes of attendees toward the facilities according to gender and race Critical policy issues are identified and discussed in depth with particular emphasis given to the positive and negative aspects of rehabilitation possibilities of boot camps Helpful tables clearly illustrate statistics while extensive references provide opportunities for further insight Rehabilitation Issues Problems and Prospects in Boot Camp explores questions such as criminal recidivism what are the theoretical predictors what effect does gender have on criminal recidivism what is the effect of this hypermasculine paramilitary prison environment have on males and females what are the differences between Native American and non Native American perceptions of boot camp is the perceived severity of boot camp different for gender what is the process for policymaking in creating and maintaining boot camps what role does politics play in the

continuation of boot camps what corrections to boot camp facilities should be made based upon evidence and research
Rehabilitation Issues Problems and Prospects in Boot Camp is a thorough examination of the social and political issues about boot camps that makes essential reading for educators students sociologists criminologists psychologists counselors and criminal justice professionals **Restorative Justice and Family Violence** Heather Strang, John Braithwaite, 2002-07-08

This 2002 book addresses one of the most controversial topics in restorative justice its potential for dealing with conflicts within families Most restorative justice programs specifically exclude family violence as an appropriate offence to be dealt with this way This book focuses on the issues in family violence that may warrant special caution about restorative justice in particular feminist and indigenous concerns At the same time it looks for ways of designing a place for restorative interventions that respond to these concerns Further it asks whether there are ways that restorative processes can contribute to reducing and preventing family violence to healing its survivors and to confronting the wellsprings of this violence The book discusses the shortcomings of the present criminal justice response to family violence It suggests that these shortcomings require us to explore other ways of addressing this apparently intractable problem **Crime and Criminal Justice** Stacy L. Mallicoat, 2016-07-08 Crime and Criminal Justice Concepts and Controversies by Stacy L Mallicoat introduces students to the key concepts of the criminal justice system and invites them to explore emerging issues Students will gain a balanced perspective of the criminal justice system through Current Controversy debates at the end of each chapter that motivate students to apply what they learned by critically analyzing and discussing the pros and cons of the issues presented Examining important but often overlooked components such as the role of victims and policy Crime and Criminal Justice helps students develop a foundational understanding of the structures agencies and functions of the criminal justice system as well as build the confidence and skills they need to effectively analyze current issues in criminal justice

Corrections Michael Welch, 2013-10-14 Corrections A Critical Approach 3rd edition confronts mass imprisonment in the United States a nation boasting the highest incarceration rate in the world This statistic is all the more troubling considering that its correctional population is overrepresented by the poor African Americans and Latinos Not only throwing crucial light on matters involving race and social class this book also identifies and examines the key social forces shaping penal practice in the US politics economics morality and technology By attending closely to historical and theoretical development the narrative takes into account both instrumental goal oriented and expressive cultural explanations to sharpen our understanding of punishment and the growing reliance on incarceration Covering five main areas of inquiry penal context penal populations penal violence penal process and penal state this book is essential reading for both undergraduate and graduate students interested in undertaking a critical analysis of penology **Restorative Community Justice** Gordon Bazemore, Mara Schiff, 2015-05-20 An anthology of original essays this book presents debates over practice theory and implementation of restorative justice Attention is focused on the movement s direction toward a more holistic community

oriented approach to criminal justice intervention **Community Justice** David R. Karp, 1998-06-25 Community justice is a phenomenon of growing interest among academics policy makers and criminal justice practitioners The term reflects the increasing collaboration between criminal justice agencies and communities in the joint pursuit of public safety and a less tangible but no less significant pursuit of justice for victims offenders and all community members affected by crime In this book several leading scholars examine the central concerns of this emerging field Subjects discussed include the role of community organizations in crime prevention the structural and cultural issues underlying the concentration of race poverty and crime community policing and community prosecution and sanctioning **The Move to Community Policing** Merry Morash, J. Kevin Ford, 2002-01-28 Community policing continues to be of great interest to policy makers scholars and of course local police agencies Successfully achieving the transformation from a traditional policing model to community policing can be difficult This book aims to illuminate the path to make that change as easy as possible Morash and Ford have produced a contributed anthology with original articles from a variety of well known researchers police trainers and leaders They focus on Recent research for developing data systems to shape police reform Changing the police culture to implement community policing Creating partnership strategies within police organizations and between police and community groups for successful community policing Anticipating future challenges
