4. Who does Peter's mom leave in charge of Fudge when she goes home?

**Overlooked Idioms**

This chapter is full of idioms – idioms that we often overlook because they are so common in our everyday conversations. An idiom is a phrase, saying, or expression that says one thing but means another.

Let's look back at some idioms in chapter three. The idioms are underlined.

But the next morning I put my foot down. (Peter made a decision and would not change his mind – he was really not “putting his foot down”.)

He'd had enough of Fudge's monkey business at meal times. (Fudge was goofing around – being silly. Fudge was not involved in business with monkeys.)

Now it is your turn to look at some of the idioms in chapter four.
