Norman, 1997-01 **Smugglers of Gor** John Norman, 2012-09-01 This is an unusual book having to do with alleged events on the alleged world Gor the Antichthon or Counter Earth as it seems to have two narrators or authors who as the texts will have it see and relate to certain events possibly of consequence to the fate of worlds It may be recalled that the great ship of

Tersites to the best of our knowledge was the first ship to successfully negotiate Thassa the sea in a voyage which led to the World's End an unusual gaming board on which two from the human point of view alien species may be gambling for a world the pieces being men In this book which in its way constitutes a prequel to MARINERS OF GOR we learn that a mysterious cargo suitably disguised was covertly placed on the great ship a cargo which might influence the outcome of the aforementioned gamble or wager One narrator is a young woman once a Miss Margaret Alyssa Cameron and the other is an individual whose name for reasons which will become obvious is withheld in the manuscript It does seem clear however that the individual referred to was somehow instrumental in bringing the former Miss Cameron to the height of a large slave block in the coastal city of Brundisium one of Gor's major ports John Norman is creator of the Gorean Saga a series of novels spanning over 30 titles that have become cult classics Coinciding with the 40th anniversary of the first book of the Gorean Saga Tarnsman of Gor E Reads is proud to release the very first complete publication of all Gor books by John Norman in both print and ebook editions Each book of this release has been specially edited by the author and is a definitive text
