Recording is an art as well as a science. It can be a craft, depending on others (judges) primarily on the quality of sound as art, and we obviously cannot guarantee that. A company that makes music and looking for great products will be well served by the quality of the products. The art is the quality of the sound. TASCAM can make no guarantee that the PORTA TWO will ensure the quality of the recordings you make.

Your skill as a technician and your attitude as an artist will be significant factors in the results you achieve.
