- Before you begin:** ✓ If you are married filing separately and you lived apart from your spouse for all of 2020, enter "D" to the right of the word "benefits" on Form 1040 or 1040-SR, line 6a.
- ✓ Don't use this worksheet if you repaid benefits in 2020 and your total repayments (box 4 of Forms SSA-1099 and RRB-1099) were more than your gross benefits for 2020 (box 3 of Forms SSA-1099 and RRB-1099). - ✓ If you are filing Form 8815, *Exclusion of Interest From Series EE and I U.S. Savings Bonds Issued After 1989*, do not include the amount from line 2b of Form 1040 on line 3 of this worksheet. Instead, include the amount from Schedule B (Form 1040 or 1040-SR), line 2.

**Japans Budget Black Hole** Keiko Shimono, 2021-01-18 This book describes the astonishing policy failures of populist politicians in Japan Focussing on popular tax cuts in Japan as a salutary case study the book details their serious side effects government debt cuts to social security expenditure inadequate public services and even the potential for a national default The book argues that the only way to maintain a tolerable level of social services is to increase taxation because a government burdened by massive debt levels is unable to respond adequately to a serious threat such as Covid 19 The book then examines the role of the workforce to economic growth Due to the dominance of conservative political forces over a long period workers protections in Japan are limited and deregulation of the workforce has led to a decline in wages since 1997 Declining wages and a reduction in social security expenditure have inevitably led to lower consumption and lower economic growth This examination leads to the conclusion that the way forward is to restore taxation to a sustainable level which is necessary in order to reduce government debt to increase expenditure on social security education and other essential services and to combat growing inequality Only by redistributing income to those who need it and will spend it consumption will increase and the economy will grow
