Analyzing Information on Women-Owned Small Businesses in Federal Contracting National Research Council,Division of Behavioral and Social Sciences and Education,Committee on National Statistics,Steering Committee for the Workshop on Women-Owned Small Businesses in Federal Contracting,2005-03-28 It has been clear for at least 50 years the disadvantages that small businesses face in competing for U S government contracts The Small Business Act of 1953 created the Small Business Administration SBA an independent agency in the executive branch that counsels and assists specific types of small businesses including firms owned by minorities and other socially and economically disadvantaged individuals and firms owned by women Women owned small businesses however are underrepresented or substantially underrepresented in some industries In 2002 the SBA Office of Federal Contract Assistance for Women Business Owners CAWBO organized a draft study containing a preliminary set of approximations of the representation of women owned small businesses in federal prime contracts over 25

000 by industry Because of the past legal challenges to race and gender conscious contracting programs at the federal and local levels the SBA asked the Committee on National Statistics of the National Academies to conduct an independent review of relevant data and estimation methods prior to finalizing the CAWBO study The Steering Committee on Women Owned Small Businesses in Federal Contracting was created and charged with holding a workshop to discuss topics including the accuracy of data and methods to estimate the use of women owned small businesses in federal contracting and the definition of underrepresentation and substantial underrepresentation in designating industries for which preferential contracting programs might be warranted Analyzing Information on Women Owned Small Businesses in Federal Contracting presents the committee's report as well as the recommendations that committees have made Court Decisions Relating to the National Labor Relations Act United States. National Labor Relations Board, 1986 **Instruction Manual**, 1982 **Windows onto Jewish Legal Culture** Hanina Ben-Menahem, Arye Edrei, Neil S. Hecht, 2020-06-30 This book opens windows onto various aspects of Jewish legal culture Rather than taking a structural approach and attempting to circumscribe and define every element of Jewish law Windows onto Jewish Legal Culture takes a dynamic and holistic approach describing diverse manifestations of Jewish legal culture and its general mind set without seeking to fit them into a single structure Jewish legal culture spans two millennia and evolved in geographic centers that were often very distant from one another both geographically and socio culturally It encompasses the Talmud and talmudic literature the law codes the rulings of rabbinical courts the responsa literature decisions taken by communal leaders study of the law in talmudic academies the local study hall and the home But Jewish legal culture reaches well beyond legal and quasi legal institutions it addresses and is reflected in every aspect of daily life from meals and attire to interpersonal and communal relations Windows onto Jewish Legal Culture gives the reader a taste of the tremendous weight of Jewish legal culture within Jewish life Among the facets of Jewish legal culture explored are two of its most salient distinguishing features namely toleration and even encouragement of controversy and a preference for formalistic formulations These features are widely misunderstood and Jewish legal culture is often parodied as hair splitting argument for the sake of argument In explaining the epistemic imperatives that motivate Jewish legal culture however this book paints a very different picture Situational constraints and empirical considerations are shown to provide vital input into legal determinations at every level and the legal process is revealed to be attentive to context and sensitive to cultural concerns
