Onyinah,2019-05-21 Witchcraft and exorcism have long been dominant features of life in African cultures This unique book provides a thorough field research based description and analysis of a specifically Pentecostal Christian response to these phenomena within the Akan culture of Ghana Anthropological studies generally claim that the ultimate goal of exorcism is modernisation Using interdisciplinary studies with a theological focus the author takes a different view arguing that it is divinatory consultation or an inquiry into the sacred and the search for meaning that underlies the current deliverance ministry where the focus is to identify and break down the so called demonic forces by the power of God and to deliver people from their torment The deliverance ministry is one attempt to contextualise the gospel for African people However preoccupation with demonisation and exorcistic practices is found to bring Christianity into tension with the Akan culture family ties and other religions In order to develop a properly safeguarded ministry of exorcism in an African context the author examines contextualisation and suggests the integration into African Christianity of divinatory consultation which has strong resonances with the biblical concept of prayer **Major Spiritual Warfare and Deliverance Ministry Principles**

Be Wise Desiree Alcantara, 2022-01-15 In a world full of uncertainty and confusion it s very important to research the truth for ourselves and not let anyone deceive us It is very important to search for the truth more than silver and gold In this book you will learn that everything is not what it seems and that there is a conspiracy against humanity The world is a stage and we are living in the final days where the strong delusion the Bible speaks about is covering the earth and where the youth is taught that evil is good and good is evil We must stand up against the deception that is being fed to the masses and expose the truth as it is before is too late We must learn to rely on God for our healing and for our salvation and not put our trust in the pharmaceutical industry the government the apostate church or in any men The time has come for the veil to be removed and for the eyes to be opened to what the truth about this world and its system is and about the truth of this life and the afterlife is Everything we have been taught is a lie and we must deny it and choose the love of the truth or we will perish Do not harden your hearts to what the Spirit has to say Be wise and choose life The day of the Lord is at hand Are you ready to meet your Maker
