Unconsoled The Kazuo Ishiguro:

The Unconsoled Kazuo Ishiguro, 2012-09-05 From the universally acclaimed author of *The Remains of the Day* comes a mesmerizing novel of completely unexpected mood and matter a seamless fictional universe both wholly unrecognizable and familiar When the public day to day reality of a renowned pianist takes on a life of its own he finds himself traversing landscapes that are by turns eerie comical and strangely malleable

The Unconsoled Kazuo Ishiguro, 1996-10-01 From the winner of the Nobel Prize in Literature and author of the Booker Prize winning novel *The Remains of the Day* here is a novel that is at once a gripping psychological mystery a wicked satire of the cult of art and a poignant character study of a man whose public life has accelerated beyond his control The setting is a nameless Central European city where Ryder a renowned pianist has come to give the most important performance of his life Instead he finds himself diverted on a series of cryptic and infuriating errands that nevertheless provide him with vital clues to his own past In *The Unconsoled* Ishiguro creates a work that is itself a virtuoso performance strange haunting and resonant with humanity and wit

Kazuo Ishiguro in a Global Context Cynthia F. Wong, Hülya Y?ld?z, 2016-03-09 Bringing together an international group of scholars this collection offers a fresh assessment of Kazuo Ishiguro's evolving significance as a contemporary world author The contributors take on a range of the aesthetic and philosophical themes that characterize Ishiguro's work including his exploration of the self family and community his narrative constructions of time and space and his assessments of the continuous and discontinuous forces of history art human psychology and cultural formations Significantly the volume attends to Ishiguro's own self identification as an international writer who has at times expressed his uneasiness with being grouped together with British novelists of his generation Taken together these rich considerations of Ishiguro's work attest to his stature as a writer who continues to fascinate cultural and textual critics from around the world

Understanding Kazuo Ishiguro Brian W. Shaffer, 2008 In *Understanding Kazuo Ishiguro* Brian W Shaffer provides the first critical survey of the life and work of the Booker Prize winning author of *The Remains of the Day* One of the most closely followed British writers of his generation the Japanese born English raised and educated Ishiguro is the author of six critically acclaimed novels including *A Pale View of Hills* 1982 Winifred Holtby Prize of the Royal Society of Literature *An Artist of the Floating World* 1986 Whitbread Book of the Year Award *The Remains of the Day* 1988 Booker Prize and *The Unconsoled* 1995 Cheltenham Prize Ishiguro's reputation also extends beyond the world of English language readers His work has been translated into twenty seven foreign languages and the feature film version of *The Remains of the Day* was nominated for eight Academy Awards Shaffer's study reveals Ishiguro's novels to be intricately crafted psychologically absorbing hauntingly evocative works that betray the author's grounding not only in the literature of Japan but also in the great twentieth century

British masters Joseph Conrad Ford Madox Ford E M Forster and James Joyce as well as in Freudian psychoanalysis All of Ishiguro's novels are shown to capture first person narrators in the intriguing act of revealing yet also of attempting to conceal beneath the surface of their mundane present activities the alarming significance and troubling consequences of their past lives

The Problems of Memory in Kazuo Ishiguro's *The Unconsoled*, 2009 **Contemporary Fiction, Celebrity Culture, and the Market for Modernism** Carey Mickalites, 2022-01-13 Arguing that contemporary celebrity authors like Zadie Smith Ian McEwan Martin Amis Kazuo Ishiguro Salman Rushdie Eimear McBride and Anna Burns position their work and public personae within a received modernist canon to claim and monetize its cultural capital in the lucrative market for literary fiction this book also shows how the corporate conditions of marketing and branding have redefined older models of literary influence and innovation It contributes to a growing body of criticism focused on contemporary literature as a field in which the formal and stylistic experimentation that came to define a canon of early 20th century modernism has been renewed contested and revised Other critics have celebrated these renewals variously arguing that contemporary literature picks up on modernism's unfinished aesthetic revolutions in ways that have expanded the imaginative possibilities for fiction and revived questions of literary autonomy in the wake of postmodern nihilism While this is a compelling thesis and one that rightly questions an artificial and problematic periodization that still lingers in academic criticism those approaches generally fail to address the material conditions that structure literary production and the generation of cultural capital whether in the historical development of modernism or its contemporary permutations This book addresses this absence by proposing a materialist history of modernism's afterlives

The 'Second World' in Contemporary British Writing Katrin Berndt, Andrew Wells, 2024-08-12 The thirteen contributions to this collection all explore or exemplify the ongoing British interest in the socialist world before 1990 In autobiography fiction film history and lexicography these chapters show how contemporary Britain is engaging with the past project to build socialism in Europe and what this means for the present and the future of our continent Contributions come from a wide range of disciplinary and geographical backgrounds and the volume is further enriched by a short story especially written for this book and by an in depth interview with the author of a recent popular history of the GDR Together these chapters offer a unique perspective into contemporary British writing on the second world and the enduring fascination with the failures of futures past

The Deathly Embrace Sheng-mei Ma,2000 Asian American resistance to Orientalism the Western tradition dealing with the subject and subjugation of the East is usually assumed And yet as this provocative work demonstrates in

order to refute racist stereotypes they must first be evoked and in the process the two often become entangled Sheng mei Ma shows how the distinguished careers of post 1960s Asian American writers such as Maxine Hong Kingston Amy Tan Frank Chin and David Henry Hwang reveal that while Asian American identity is constructed in reaction to Orientalism the two cultural forces are not necessarily at odds The vigor with which these Asian Americans revolt against Orientalism in fact tacitly acknowledges the family lineage of the two

Unmaking Love Ashley T. Shelden, 2017-01-10 The contemporary novel does more than revise our conception of love it explodes it queers it and makes it unrecognizable Rather than providing union connection and completion love in contemporary fiction destroys the possibility of unity harbors negativity and foregrounds difference Comparing contemporary and modernist depictions of love to delineate critical continuities and innovations *Unmaking Love* locates queerness in the novelistic strategies of Ian McEwan Zadie Smith Hanif Kureishi Alan Hollinghurst and Hari Kunzru In their work queer love becomes more than shorthand for sexual identity It comes to embody thwarted expectations disarticulated organization and unnerving multiplicity In queer love social forms are deformed affective bonds do not bind and social structures threaten to come undone *Unmaking Love* draws on psychoanalysis and gender and sexuality studies to read love's role in contemporary literature and its relation to queer negativity
