Alexei is hard as nails, persona whets Patrick's professional determination to get the information he's sure the gangster is hiding while personally Patrick just wants to get his hands on Alexei's hard body. The tattoos marking Alexei's skin tell the story of his criminal past but the more Patrick learns about Alexei the more he wants to know until he finds himself over his head in a relationship that might cost him his job and could well cost Alexei his life. Alexei is equally fascinated by Patrick's willingness to overlook his past and even his present associations but he has secrets of his own that could drive a wedge between them forever.

Gerrard left England never expecting to return, especially after he pledged his life and love to Rael. Yet he cannot dismiss his father's offer of peace without some acknowledgment. When he arrives in England to find tragedy, his sense of duty toward his family's tenants wars with his promises to Rael. As tensions mount and illness spreads in France, Rael stands as a bastion of hope but his strength is not limitless. Gerrard is the rock he leans on and without that strength, Gerrard's arrival in France may come too late.
