Sadleir,2023-12-22 **Under Cover** Jeremy Robson,2018-09-25 As an independent publisher Jeremy Robson always punched above his weight with a roster of authors that have been the envy of many large publishers As a poet he has been at the centre of the poetry scene since the 1960s with a number of highly praised volumes to his credit and the friendship of many leading poets and musicians In this engrossing memoir Robson looks back at both his publishing career and life as a poet Stories abound whether it be driving Muhammad Ali around Britain coping with Michael Winner or working in the desert with David Ben Gurion Time spent joyously laughing with Maureen Lipman and Alan Coren while undertaking an exciting poetry reading tour with Ted Hughes and packing the Royal Festival Hall for a historic poetry and jazz concert Jeremy recounts treasured and life long friendships with the poets and writers Dannie Abse Alan Sillitoe Vernon Scannell Laurie Lee Yevgeny Yevtushenko Elie Wiesel and Frederic Raphael Well known and celebrated as both publisher and poet Jeremy Robson has produced a delicious memoir that will delight the reader [The Image of Celestina](#) Enrique Fernández,2024-01-31 La Celestina a Spanish literary masterpiece second only in importance to Don Quixote in Spanish literature has been shaped by the inclusion of images from its very first edition in 1499 The subsequent five centuries were punctuated by many illustrated editions imaginary portraits of the eponymous procuress Celestina by painters such as Murillo Goya and Picasso and more recently screen and stage adaptations Celestina became the prototype from which later representations of procuresses and bawds derived The Image of Celestina sheds light on the visual culture that developed around La Celestina including paintings illustrations and advertisements Enrique Fern ndez examines La Celestina as a mixed media text incorporating methods from disciplines such as art history and women s and cinema studies and considers a variety of images including promotional posters lobby pictures and playbills of theatrical and cinematic adaptations of the book Using a visual studies approach The Image of Celestina ultimately illuminates the culture of Celestina a mythical figure who surpasses the literary text in which she originated **XSL-FO** Dave Pawson,2002-08-19 No matter how flexible and convenient digital information has become we haven t done away with the need to see information in print Extensible Style Language Formatting Objects or XSL FO is a set of tools developers and web designers use to describe page printouts of their XML including XHTML documents If you need

to produce high quality printed material from your XML documents then XSL FO provides the bridge XSL FO is one of the few books to go beyond a basic introduction to the technology While many books touch on XSL FO in their treatment of XSLT this book offers in depth coverage of XSL FO s features and strengths Author Dave Pawson is well known in the XSLT and XSL FO communities and maintains the XSLT FAQ An online version of this book has helped many developers master this technology XSL FO is the first time this reference is available in print The first part of the book provides an overview of the technology and introduces the XSL FO vocabulary The author discusses how to choose among today s implementations explains how to describe pages and shows you what is going on in the processor in terms of layout You ll learn about the basics of formatting and layout as well as readability The second part focuses on smaller pieces blocks inline structures graphics color and character level formatting concluding by showing how to integrate these parts into a coherent whole XSL FO also explores organizational aspects you ll need to consider how to design your stylesheets strategically rather than letting them evolve on their own XSL FO is more than just a guide to the technology the book teaches you how to think about the formatting of your documents and guides you through the questions you ll need to ask to ensure that your printed documents meet the same high standards as your computer generated content Written for experienced XML developers and web designers no other book contains as much useful information on this practical technology
