Under The Southern Cross The New Testament In Australian English:

Under the Southern Cross, 2014 Under the Southern Cross Richard Kingsley Moore, 2014-11-06 In recent decades the distinctiveness of the English spoken in Australia has been recognized by the production of dictionaries and grammars of Australian English Given the widely acknowledged recognition of the role played by Christianity in the colonizing of Australia by the British and in the subsequent development of the nation it is appropriate that the New Testament writings should also be available in Australian English Under the Southern Cross is the first published translation of the complete New Testament from the Greek of the original into Australian English Undertaken by Dr Richard Moore who lectured in New Testament for some thirty years it expresses in the everyday English used in Australia the twenty seven writings making up our New Testaments The translation is based on the Greek text prepared and distributed throughout the world by the Bible Societies

Paul's Concept of Justification Richard Kingsley Moore, 2015-02-11 The Greek family of words characterizing the doctrine of justification by faith as it is known in English is most prominent in the writings of the Apostle Paul It was this doctrine that lay at the heart of the sixteenth century Reformation Martin Luther and his followers considered it to be at the very center of the gospel Protestants came to understand justification differently from the Catholic Church they had left Instead of the Catholic realist view in which God makes a sinner righteous they came to a forensic understanding by which God as judge declares a sinner righteous During the nineteenth century a third relational view began to emerge it viewed justification as God's gift of a right relationship to a sinner This monograph examines Paul's concept from three perspectives the New Testament data the way the doctrine has developed historically and how the doctrine has been expressed in English translations of the Scriptures The author concludes that it is the relational view that most accurately depicts Paul's concept of justification

Beyond Four Walls Michael D. O'Neil, 2020-08-12 The church today is in many places on the nose For many people it stinks It has passed its use by date and should be relegated to the dustbins of history and the sooner the better Nevertheless the contributors to this volume believe that the church in spite of its somewhat checkered history and its many present failures remains an integral part of God's redemptive purposes being worked out in the world and that God's call to the church is now what it has always been to be the faithful people of God bearing joy filled witness to the resurrection of Jesus Christ in word worship and work in its corporate life and in the lives of each of its members Each chapter in this book explores an aspect of what it means to be the church both with respect to its own life and with an eye to its presence and mission in the world
