Meruane,2014-05-14 This is the first book to comprehensively examine Latin America s literary response to the deadly HIV virus Proposing a bio political reading of AIDs in the neoliberal era Lina Meruane examines how literary representations of AIDS enter into larger discussions of community sexuality nation displacement and globalization **Roc the Mike** Malik H. Majeed,2023-02-28 It is through our ancestors stories that we learn more about ourselves By looking to the past we can begin to understand the world around us and where we are headed In Roc the Mike Malik H Majeed details historical events of the past and how they influenced the lives of his ancestors providing an in depth look into how these events created the world of today and the undercurrent of racial tension that plagues our society By filling the pages with personal anecdotes and tales from generations past Majeed turns history into a personal experience and encourages others to take a look into their own family history and uncover the stories which impacted your own past About the Author Malik H Majeed desires to extinguish evil which continues to corrupt the hearts and minds of society *My Alabaster Box* Letisha Owens,2019-01-01 A dramatic fight for love life freedom and understanding of a young lady by the name of Toney Toney who was taken then lost in the foster care system learns her truth through pain and love *Hoover's War on Gays* Douglas M. Charles,2015-09-18 At the FBI the Sex Deviates program covered a lot of ground literally at its peak J Edgar Hoover s notorious Sex Deviates file encompassed nearly 99 cubic feet or more than 330 000 pages of information In 1977 1978 these files were destroyed and it would seem that four decades of the FBI s dirty secrets went up in smoke But in a remarkable feat of investigative research synthesis and scholarly detective work Douglas M Charles manages to fill in the yawning blanks in the bureau s history of systematic some would say obsessive interest in the lives of gay and lesbian Americans in the twentieth century His book Hoover s War on Gays is the first to fully expose the extraordinary invasion of US citizens privacy perpetrated on a historic scale by an institution tasked with protecting American life For much of the twentieth century when exposure might mean nothing short of ruin gay American men and women had much to fear from law enforcement of every kind but none so much as the FBI with its inexhaustible federal resources connections and its carefully crafted reputation for ethical by the book operations What Hoover s War on Gays reveals rather is the FBI s distinctly unethical off the books long term targeting of gay men and women and their organizations under cover of official rationale such as suspicion of criminal activity or vulnerability to blackmail and influence The book offers a wide scale view of this policy and practice from a notorious child kidnapping and murder of the 1930s ostensibly by a sexual predator with homosexual tendencies educating the public about the threat of deviates through WWII s security concerns about homosexuals who might be compromised by the enemy to the Cold War s Lavender Scare when any and all gays working for the US government shared the fate of

suspected Communist sympathizers Charles's work also details paradoxical ways in which these incursions conjured counterefforts like the Mattachine Society ONE Inc and the Daughters of Bilitis aimed at protecting and serving the interests of postwar gay culture With its painstaking recovery of a dark chapter in American history and its new insights into seemingly familiar episodes of that story involving noted journalists politicians and celebrities this thorough and deeply engaging book reveals the perils of authority run amok and stands as a reminder of damage done in the name of decency

Kubrick's Men Richard Rambuss,2021-03-02 A provocative re reading of Stanley Kubrick s work and its focus on masculine desire The work of

Stanley Kubrick amounts to a sustained reflection on the male condition past present and future The persistent theme of his filmmaking is less violence or sex than it is the pressurized exertion of masculinity in unusual or extreme circumstances where it may be taxed or exaggerated to various effects tragic and comic or metamorphosed distorted and even undone The stories that Kubrick s movies tell range from global nuclear politics to the unpredictable sexual dynamics of a marriage from a day in the life of a New York City prizefighter preparing for a nighttime bout to the evolution of humankind These male melodramas center on sociality and asociality They feature male doubles pairs and rivals They explore the romance of men and their machines and men as machines They figure intensely conflicted forms of male sexual desire And they are also very much about male manners style taste and art Examining the formal thematic and theoretical affiliations between Kubrick s three bodies of work his photographs his documentaries and his feature films Kubrick s *Men* offers new vantages on to the question of gender and sexuality including the first extended treatment of homosexuality in Kubrick s male oriented work

Glenn Colter,Dangerous Bedfellows,1996 As some activists have turned to regulation rather than education in the effort to curb the AIDS epidemic the public culture at the foundation of queer culture has come under attack *Anything but Straight* Wayne Besen,2012-07-26 The real story behind ex gay ministries and reparative therapy Nationally known activist Wayne Besen spent four years examining the phenomenon of ex gay ministries and reparative therapiesinterviewing leaders attending conferences and visiting ministries undercover as he accumulated hundreds of hours of research The result is *Anything but Straight* Unmasking the Scandals and Lies Behind the Ex Gay Myth a groundbreaking expos of the controversial movement that s revered by independent religious groups and reviled by gay and lesbian organizations The book presents a historical perspective on the dispute examining ex gay groups such as Love In Action Exodus International Homosexuals

Anonymous and profiling a cast of characters that includes Pat Robertson the Rev Jerry Falwell ex gay poster boy John Paulk National Association of Research and Therapy of Homosexuality activist Richard Cohen and psychiatrist Dr Robert Spitzer An in depth well researched and historically significant account Anything but Straight is full of startling facts and alarming surprises The original content and novel material in the book includes a first ever comprehensive history of the ex gay ministries and reparative therapy the inside story of the night the author photographed ex gay poster boy John Paulk inside a gay bar the author s discovery that Anne Paulk lied about being a lesbian and has admitted to having a strong attraction to men BEFORE she became ex gay previously undisclosed bizarre techniques used by the ex gay ministries and reparative therapists the author s exclusive in depth interviews with leading ex gay leaders they disclose their deepest secrets hidden desires and true motivations an extraordinary new study that shows that most ex gay leaders have suffered from substance abuse or severe emotional problems while many ex gay leaders claim they were unhappy being gay this report helps prove that their dissatisfactions came not from their homosexuality but from poor life choices and irresponsible behavior new revelations that one of the nation s leading reparative therapists hailed from a secretive cult that was scandalized for practicing nude therapy From the author Through my extensive experience I have learned that the extraordinary claims made by the ex gay groups are without merit and the efficacy of their programs is dubious at best and harmful at worst One frequent question I get is Why can t gay activists simply leave ex gay groups alone and let them go about their business This is exactly what happened for nearly three decades while ex gay groups labored in near anonymity But all this recently changed when the ex gay groups intricately aligned themselves with the anti gay political agenda of the Religious Right With ex gays added to their arsenal the Right could disingenuously claim to love gay people and offer them hope for change while simultaneously fighting for punitive legislation Their insidious message Since gays and lesbians can change there is no need for laws that protect them against arbitrary prejudice Anything but Straight Unmasking the Scandals and Lies Behind the Ex Gay Myth is an essential read for activists on both sides of the ex gay fence family members of gays and lesbians Gay Bisexual Lesbian and Transgender church members psychiatric and social science professionals and anyone who has dealt with coming out issues An appendix of resources and a helpful bibliography make it easy to find additional information on this fascinating topic
