Charlie Chaplin, Director Donna Kornhaber, 2014-03-05 Charlie Chaplin was one of the cinema's consummate comic performers yet he has long been criticized as a lackluster film director In this groundbreaking work the first to analyze Chaplin's directorial style Donna Kornhaber radically recasts his status as a filmmaker Spanning Chaplin's career Kornhaber discovers a sophisticated Chaplinesque visual style that draws from early cinema and slapstick and stands markedly apart from later classical stylistic conventions His is a manner of filmmaking that values space over time and simultaneity over sequence crafting narrative and meaning through careful arrangement within the frame rather than cuts between frames Opening up aesthetic possibilities beyond the typical boundaries of the classical Hollywood film Chaplin's filmmaking would profoundly influence directors from Fellini to Truffaut To view Chaplin seriously as a director is to re-understand him as an artist and to reconsider the nature and breadth of his legacy

Understanding Indian Movies Patrick Colm Hogan, 2008-10-01 Indian movies are among the most popular in the world However despite increased availability and study these films remain misunderstood and underappreciated in much of the English speaking world in part for cultural reasons In this book Patrick Colm Hogan sets out through close analysis and explication of culturally particular information about Indian history Hindu metaphysics Islamic spirituality Sanskrit aesthetics and other Indian traditions to provide necessary cultural contexts for understanding Indian films Hogan analyzes eleven important films using them as the focus to explore the topics of plot theme emotion sound and

visual style in Indian cinema These films draw on a wide range of South Asian cultural traditions and are representative of the greater whole of Indian cinema By learning to interpret these examples with the tools Hogan provides the reader will be able to take these skills and apply them to other Indian films But this study is not simply culturalist Hogan also takes up key principles from cognitive neuroscience to illustrate that all cultures share perceptual cognitive and emotional elements that when properly interpreted can help to bridge gaps between seemingly disparate societies Hogan locates the specificity of Indian culture in relation to human universals and illustrates this cultural cognitive synthesis through his detailed interpretations of these films This book will help both scholars and general readers to better understand and appreciate Indian cinema

Yin and Yang in the English Classroom Sandra Eckard, 2014-12-31 English studies today are driven by demanding curriculum but this need is often met with unenthusiastic students Fun work like movie days or projects is often seen as what to do after the real work is finished But what if instructors could blend the two pieces together more effectively motivating students with interesting material while still achieving curriculum goals This text attempts to fuse the pieces in to a cohesive philosophy Yin and Yang in the English Classroom Teaching With Popular Culture Texts is designed to provide college professors and high school teachers with both halves they need to tackle the job of teaching students literature and writing skills theoretical foundations of and practical applications for the modern classroom In addition to theory and research each chapter also offers ready to use activities and projects that can be immediately brought into the classroom Whether you re new and need a guide to begin your journey as a teacher or you re experienced and want to add some spice to your classroom this text can offer new ways to fold popular culture effectively into your teaching toolbox Other key features of this book include Clear easy to read sections for each chapter including a Review of Current Literature and Classroom Connections Student centered solutions to increase engagement with popular culture and technology Step by step plans for taking the activities from the page to the classroom easily

Audience Genre Expectations in the Age of Digital Media Leo W. Jeffres, David J. Atkin, Kimberly A. Neuendorf, 2022-12-05 This volume bridges the divide between film and media studies

scholarship by exploring audience expectations of film and TV genre in the age of digital streaming using qualitative thematic and quantitative data driven analyses Through four ground breaking surveys of audience members and content creators the authors have empirically determined what audiences expect of various genres the extent to which these definitions match those of scholars and critics and the overall variation and complexity of audience expectations in the age of media abundance They also examine audience habits and preferences drawing from both theory and original empirical analyses with a view toward the implications for the moving image in a rapidly changing media environment The book draws from the data to develop a number of new concepts including genre repertoire genre hybridity audience interest maximization and variety seeking and a new stage of genre development genre bending It is an ideal resource for students and scholars interested in the symbiotic relationship between audiences and the moving image products they consume as well as the way the current digital media environment has impacted our understanding of film and TV genres *Doubling the Duality* Fabia Ling-Yuan Lin, 2014-03-17

This book is about the aesthetic philosophical and cultural aspects of the integration of live action and animation It argues that even in the digital era when the integration of live action and animation becomes progressively seamless their differences and dialogues are still a significant source of the evolution of cinematic language It also deals with the meeting between the West and East and the methodology of interweaving the roles of practitioner and theorist Through the operation of materiality and the manoeuvre of estrangement this study explores the liminal experiences embedded in the combination of heterogeneous elements in filmmaking as well as those found in a world favouring interdisciplinary cross breeding and globalisation **Understanding Movies Plus Mysearchlab with Pearson Etext -- Access Card Package**
