Understanding Psychology, Student Edition McGraw-Hill Education, 2006-12-27 The overall philosophy of Understanding Psychology is to bring complex psychological concepts to students' lives. The goal of this program is to make psychology relevant, fun, interesting, and even exciting, making it approachable. Understanding Psychology is an interactive book with hands-on activities, case studies, current issues, and readings about the field of psychology. The Understanding Psychology program was designed to help students understand how this subject is part of their day-to-day lives. Research in assessment and APA literature was reviewed. The program's authors, academic consultants, and experienced Social Studies educators reviewed the assessment plan for Understanding Psychology. Understanding Psychology includes a variety of assessment instruments to support instruction. The test booklet provides three-part chapter tests: Matching, Multiple Choice, and Essay. *Understanding Psychology, Interactive Student Edition* McGraw-Hill Education, 2001-10-23 Connect complex psychological concepts to real life. McGraw-Hill Staff, 2001-11-01 Understanding Psychology Robert S. Feldman, 2008 Students First Understanding Psychology is written around the philosophy that an effective textbook must be oriented to students, informing them, engaging them, exciting them about the field, and expanding their intellectual capabilities because when students understand psychology, they learn psychology. No matter what brings students into the introductory course and regardless of their initial motivation, Understanding Psychology Eighth Edition draws students into the field and stimulates their thinking. This revision integrates a variety of elements that foster students' understanding of psychology and its impact on their everyday lives. It also provides instructors with a fully integrated supplements package to objectively gauge their students' mastery of psychology's key principles and concepts and to create dynamic lectures. *Understanding Psychology* Richard A.
