Dirt, Undress, and Difference Adeline Masquelier, 2005-12-20 A magnificent volume It offers brand new perspectives on body politics and identity or subjectivity formation in the post colonial world Dorothy Ko Barnard College While there is widespread interest in dress and hygiene as vehicles of cultural moral and political value little scholarly attention has been paid to cross cultural understandings of dirt and undress despite their equally important role in the fashioning of identity and difference The essays in this absorbing and thought provoking collection contribute new insights into the neglected topics of bodily treatments and transgressions In detailed ethnographic studies from around the world the contributors recast assumptions about filth and nakedness exploring how various forms of transgression associated with the body s surface are drawn up into relations of power and inequality They demonstrate imaginatively how body surfaces are powerfully mobilized in the making and unmaking of moral worlds *The Stripping of the Altars* Eamon Duffy, 2022-07-12 This prize winning account of the pre Reformation church recreates lay people s experience of religion showing that late medieval Catholicism was neither decadent nor decayed but a strong and vigorous tradition For this edition Duffy has written a new introduction reflecting on recent developments in our understanding of the period A mighty and momentous book a book to be read and re read pondered and revered a subtle profound book written with passion and eloquence and with masterly control J J Scarisbrick The Tablet Revisionist history at its most imaginative and exciting An astonishing and magnificent piece of work Edward T Oakes Commonweal A magnificent scholarly achievement a compelling read and not a page too long to defend a thesis which will provoke passionate debate Patricia Morison Financial Times Deeply imaginative movingly written and splendidly illustrated Maurice Keen New York Review of Books Winner of the Longman History Today Book of the Year Award **Courtly Love Undressed** E. Jane Burns, 2014-07-09 Clothing was used in the Middle Ages to mark religious military and chivalric orders lepers and prostitutes The ostentatious display of luxury dress more specifically served as a means of self definition for members of the ruling elite and the courtly lovers among them In Courtly Love Undressed E Jane Burns unfolds the rich display of costly garments worn by amorous partners in literary texts and other cultural documents in the French High Middle Ages Burns reads through clothes in lyric romance and didactic literary works vernacular sermons and sumptuary laws to show how courtly attire is used to negotiate desire sexuality and symbolic space as well as social class Reading through clothes reveals that the expression of female desire so often effaced in courtly lyric and romance can be registered in the poetic deployment of fabric and adornment and that gender is often configured along a sartorial continuum rather than in terms of naturally derived categories of woman and man The symbolic identification of the court itself as a hybrid crossing place between Europe and the East also emerges through Burns s reading of literary allusions to the trade travel and pilgrimage that brought luxury cloth to France Siphylis.
