

Uneb u.c.e computer studies practical (paper 2) 2017

SECTION A

This section is compulsory

1. a) i) Using an appropriate word processing software, type the passage below as it is, save it as your name and personal number.

‘The Internet is like a library.’ You will hear this kind of statement a lot from people who know very little about either.

If the Internet is a library, it’s a strange one indeed. For starters, there is no indexing system. At any rate, the books are arranged on numbered shelves but scattered on the floor. A lot of what is in the books is untrue, even in the non-fiction ones. There is no librarian, and no information desk. Did we mention also that the lights are turned off?

What’s more, you can make as much noise as you like when using the Internet, while at the same time collecting facts and figures (and fiction and music and video and sports results and weather reports and recipes) from all around the world.

In fact, the principle use of the Internet is for e-mail; a way of sending messages from your computer to someone else’s computer whether in the next room or in a different hemisphere.

Think of this as your chance to borrow knowledge and skills, you won’t ever be asked to return, and become part of an online electronic community.

Welcome to the Internet Age.

ii) Insert a suitable heading for the passage. Bold and centre the heading.

iii) Copy the passage to another page.

iv) Set the font size of the passage to 10 points

v) Set the page orientation to landscape and divide it into two columns.

vi) Copy the passage and paste it on the second column.

vii) The last paragraph is a statement made by Paul Holden footnote to indicate the author.

viii) Insert a footer of your name and personal number.

ix) Save and print your work.

b) The table below shows the wages of staff in Otuke Technical school, in June 2014.
