To turn on your computer
Para encender la computadora

Before sharing your computer for file sharing, its not recommended to have hardware that did not originally come with your computer. While we're in that area, your computer will only be a good file sharing computer and not a good laptop. If you completely cannot use these for example, a phone, an external hard drive, a camera, a scanner, or a webcam, then you're better off not using it. Also, before you use it, make sure you have a backup.
