Violated By Monsters The Troll Bridge:

The Transnational Fantasies of Guillermo del Toro A. Davies,D. Shaw,D. Tierney,2014-10-02 Offering a multifaceted approach to the Mexican born director Guillermo del Toro this volume examines his wide ranging oeuvre and traces the connections between his Spanish language and English language commercial and art film projects Lucifer Jeffrey Burton Russell,1986 Describes the medieval concept of the devil discusses witchcraft and devil folklore and examines the depiction of evil in art and literature of the period **The Book On The Cookbook for Cannibals** Eleanor V. Braun,2025-10-28 In The Book On The Cookbook for Cannibals readers embark on an extraordinary and unsettling journey through the complex realms of anthropophagy This comprehensive exploration reveals the historical significance of cannibalism across various cultures demonstrating that the act of consuming human flesh is a manifestation of human nature rather than a mere aberration Each chapter unravels riveting narratives and anthropological insights into practices from the distant past to the present day The opening chapters delve into the origins of anthropophagy starting with the archaeological record that dates back nearly 800 000 years As the book progresses readers will confront chilling examples of cannibalism during dire circumstances be it survival cannibalism seen in maritime disasters or the ritualistic practices of the Aztecs and the Fore people of Papua New Guinea Each tale sheds light on how cultural parameters shape our understanding of this taboo act The author masterfully interrogates societal assumptions about cannibalism linking it to crucial themes such as morality ethics and collective identity Deftly navigating historical narratives and modern interpretations the book discusses the implications of cannibalism in light of contemporary socio political issues and environmental challenges What constitutes the moral framework we employ and how does societal structure influence the perception of cannibalism as a crime versus a survival tactic This work compels readers to reflect on the intersections of culture morality and humanity It offers a profound commentary on our often disturbing relationship with food identity and survival forcing us to confront what cannibalism reveals about human nature and the lengths to which individuals and societies will go when circumstances blur ethical boundaries Ultimately The Book On The Cookbook for Cannibals invites us to rethink the narratives surrounding anthropophagy presenting it as an intricate part of the tapestry of human history that continues to resonate in the modern world Published by The Book On Publishing the official publisher of The Book On Series **Primacy of Darkness** Brock E. Deskins,2019-08-17 Jack the Ripper sadistic madman of old London once thought long dead has returned to New York in an effort to quench his thirst for blood and mayhem When the city s vampire enclave finds itself insufficient to deal with a madman of Jack s caliber Vincent the enclave head enlists Leo Malone to put the maniac down before he reveals the existence of vampires as he throws the city into the throws of chaos and terror Leo soon finds that Jack is not the only monster with which he must contend A ghost from his past has also seemingly crawled from its grave and seeks to put an end to him and the rest of his kind *Playful Parenting* Lawrence J. Cohen, Ph.D.,2008-11-19 Parents have heard that play is a

child's work but play is not for kids only As psychologist Lawrence J Cohen Ph D demonstrates in this delightful new book play can be the basis for an innovative and rewarding approach to parenting From eliciting a giggle during baby's first game of peek a boo to cracking jokes with a teenager while hanging out at the mall Playful Parenting is a complete guide to using play to raise strong confident children Have you ever stepped back to watch what really goes on when your children play As Dr Cohen points out play is children's complex and fluid way of exploring the world communicating hard to express feelings getting close to those they care about working through stressful situations and simply blowing off steam That's why playful parenting is so important and so successful in building strong close bonds between parents and children Through play we join our kids in their world We help them express and understand deep emotions foster connection aid the process of emotional healing and have a great time ourselves while we're at it Anyone can be a playful parent all it takes is a sense of adventure and a willingness to let down your guard and try something new After identifying why it can be hard for adults to play Dr Cohen discusses how to get down on the floor and join children on their own terms He covers games activities and playful interactions that parents can enjoy with children of all ages whether it's gazing deep into a baby's eyes playing chase with a toddler fantasy play with a grade schooler or reducing a totally cool teenager to helpless laughter Playful Parenting also includes illuminating chapters on how to use play to build a child's confidence and self esteem how to play through sibling rivalry and how play can become a part of loving discipline Written with love and humor brimming with good advice and revealing anecdotes and grounded in the latest research Playful Parenting will make you laugh even as it makes you wise in the ways of being a happy effective enthusiastic parent
