Revitalizing Criminological Theory: Steve Hall, Simon Winlow, 2015-05-22 This book provides a short comprehensive and accessible introduction to Ultra Realism a unique and radical school of criminological thought that has been developed by the authors over a number of years After first outlining existing schools of thought their major intellectual flaws and their underlying politics in a condensed guide that will be invaluable to all undergraduate and postgraduate students Hall and Winlow introduce a number of important new concepts to criminology and suggest a new philosophical foundation theoretical framework and research programme These developments will enhance the discipline's ability to explain human motivations construct insightful representations of reality and answer the fundamental question of why some human beings risk inflicting harm on others to further their own interests or achieve various ends Combining new philosophical and psychosocial approaches with a clear understanding of the shape of contemporary global crime this book presents an intellectual alternative to the currently dominant paradigms of conservatism neoclassicism and left liberalism In using an advanced conception of harm Hall and Winlow provide original explanations of criminal motivations and make the first steps towards a paradigm shift that will help criminology to illuminate the reality of our times This book is essential reading for academics and students engaged in the study of criminology sociology criminological theory social theory the philosophy of social sciences and the history of crime

A Companion to State Power, Liberties and Rights Sharon Morley, Jo Turner, Karen

Corteen, Paul Taylor, 2017-02-15 Interest in the study of state power civil liberties human rights and state sponsored crime is growing and there is a need for a book which brings these topics together This book part of the Companions series provides succinct yet robust definitions and explanations of core concepts and themes in relation to state power liberties and human rights The entries are bound by their inter relatedness and relevance to the study of crime and harm and the volume draws upon established and emerging commentaries from other social and political disciplines Laid out in a user friendly A Z format it includes entries from expert contributors with clear direction to related entries and further reading The contributors critically engage with the topics in an accessible yet challenging way ensuring that the definitions go beyond a simple explanation of the word or theme It will be suitable for undergraduate and postgraduate students on a variety of courses such as Criminology Criminal Justice International Relations Politics Social Policy Policing Studies and Law as well as other researchers in these areas

The Myth of the 'Crime Decline' Justin Kotzé, 2019-03-20 The Myth of the Crime Decline seeks to critically interrogate the supposed statistical decline of crime rates thought to have occurred in a number of predominantly Western countries over the past two decades Whilst this trend of declining crime rates seems profound serious questions need to be asked Data sources need to be critically interrogated and context needs to be provided This book seeks to do just that This book examines the wider socio economic and politico cultural context within which this decline in crime is said to have occurred highlighting the changing nature and landscape of crime and its ever deepening resistance to precise measurement By drawing upon original qualitative research and cutting edge criminological theory this book offers an alternative view of the reality of crime and harm In doing so it seeks to reframe the crime decline discourse and provide a more accurate account of this puzzling contemporary phenomenon Additionally utilising a new theoretical framework developed by the author this book begins to explain why the crime decline discourse has been so readily accepted Written in an accessible yet theoretical and informed manner this book is a must read for academics and students in the fields of criminology sociology social policy and the philosophy of social sciences

Revisiting Modernity and the Holocaust Jack Palmer, Dariusz Brzeziński, 2022-04-18 Zygmunt Bauman's Modernity and the Holocaust is a decisive text of intellectual reflection after Auschwitz in which Bauman rejected the idea that the Holocaust represented the polar opposite of modernity and saw it instead as its dark potentiality Bringing together leading scholars from across disciplines this volume offers the first set of focused and critical commentaries on this classic work of social theory evaluating its ongoing contribution to scholarship in the social sciences and humanities Addressing the core messages of Modernity and the Holocaust that continue to sound amidst the convulsions of the present the chapters situate Bauman's volume in the social cultural and academic context of its genesis and considers its role in the complex processes of Holocaust memorialisation Offering extensions of Bauman's thesis to lesser known and undertheorised events of mass violence and also considering the significance of Janina Bauman's writings in their own right this volume will appeal to scholars of sociology intellectual history

Holocaust and genocide studies moral philosophy memory studies and cultural theory Crime, Harm and Consumerism
 Steve Hall,Tereza Kuldova,Mark Horsley,2020-01-08 This book offers a collection of cutting edge essays on the relationship between crime harm and consumer culture Although consumer culture has been addressed across the social sciences it has yet to be fully explored in criminology The editors bring together an impressive list of authors with original ideas and a fresh perspective to this field The collection first introduces the reader to three sets of ideas which will be especially useful to students and researchers piecing together theoretical frameworks for their studies New concepts such as pseudo pacification the materialist libertine and the commodification of abstinence can be used as foundation stones for new explanatory criminological analyses in the 21st century The collection then moves on to present case studies based on rigorous empirical work in the fields of consumption and debt outlaw gangs illegal drug markets gambling the mentality that drives investment fraudsters and the relationship between social media and state surveillance These case studies showcase the strength of the research skills and knowledge these scholars offer to the field of criminology Written in a clear and direct style this book will appeal to students and scholars in criminology sociology cultural studies social theory and those interested in learning about the effects of consumer culture in modern society European Cosmopolitanism Gurminder K. Bhambra,John Narayan,2016-10-26 This book provides a fresh examination of the cosmopolitan project of post war Europe from a variety of perspectives It explores the ways in which European cosmopolitanism can be theorized differently if we take into account histories which have rarely been at the forefront of such understandings It also uses neglected historical resources to draw out new and unexpected entanglements and connections between understandings of European cosmopolitanism both in Europe and elsewhere The final part of the book places European cosmopolitanism in tension with contemporary postcolonial configurations around diaspora migration and austerity Overall it seeks to draw attention to the ways in which Europe s posited others have always been very much a part of Europe s colonial histories and its postcolonial present **Violence and Society** ,2014 Violence and Society features a multidisciplinary collection of readings by leading national and international experts that set a new agenda for our understanding of interpersonal and state violence in contemporary society Features contributions from leading international experts in collective state and interpersonal violence Develops innovative interdisciplinary theorizations based on new empirical studies on violence and society Incorporates within an emerging analytical framework issues of war domestic and gender based violence fighting honor and shame violence and identity and politics and violence Allows us to better understand the world we live in **Research Ethics in Criminology** Malcolm Cowburn,Loraine Gelsthorpe,Azrini Wahidin,2016-12-19 Ethical principles and concerns are at the heart of criminological research and can arise at the planning implementation and reporting stages It is vital that researchers are aware of the issues involved so that they can make informed decisions about the implications of certain choices This cutting edge book charts the changing topography of ethics governance and accountability for social science research in criminology

contributes to the developing discourse on research ethics and demonstrates the importance as to why research ethics should be taken seriously Bringing together a range of experts who consider both quantitative and qualitative methodologies This book examines the key issues and challenges of ethical research Topics covered include the measures in place to ensure ethical research practice for social scientists the relationship between state funding and research findings the challenge of researching sensitive areas the changing face of governance and accountability for academic criminology Research Ethics in Criminology is a comprehensive and accessible text that is ideal for students studying criminological research methods Supplementary material includes key points chapter summaries critical thinking questions key definitions case examples and recommendations for further reading This book will provide a thorough grounding in the ethical issues faced by researchers as well as an understanding of the role and purpose of ethics committees

What is Criminology About? Don Crewe, Ronnie Lippens, 2015-02-20 Since its inception criminology has had trouble answering the question of what it is about But although many consider the answer to this question to be self evident this book pursues the provocative possibility that criminology does not know what the object of its study is it merely knows what it is called Aiming to foster dissent among those who claim to know what criminology is about and those who don't writers from different schools of thought come together in this collection to answer the question what is criminology about Building on a resurgence of interest in the nature of the object of criminology their responses aim to deepen and to expand the current debate This book will then be of considerable interest to contemporary proponents and students of criminology and law

Gangs & Crime Alistair Fraser, 2017-07-03 This book takes students on a guided tour of the gang phenomenon through history as well as current representations of gangs in literature and media It includes A detailed global overview of gang culture covering amongst others Glasgow Chicago Hong Kong and Shanghai A chapter on researching gangs which covers quantitative and qualitative methods Extra chapter features such as key terms chapter overviews study questions and further reading suggestions Alistair Fraser brings together gang literature and critical perspectives in a refreshingly new way exploring gangs as a social group with a long and fascinating history

Walling, Boundaries and Liminality Agnes Horvath, Marius Ion Bența, Joan Davison, 2018-08-06 Contemporary challenges related to walls borders and encirclement such as migration integration and endemic historical conflicts can only be understood properly from a long term perspective This book seeks to go beyond conventional definitions of the long duration by locating the social practice of walling and encirclement in the broadest context of human history integrating insights from archaeology and anthropology Such an approach far from being simply academic has crucial contemporary relevance as its focus on origins helps to locate the essential dynamics of this practice and provides a rare external position from which to view the phenomenon as a transformative exercise with the area walled serving as an artificial womb or matrix The modern world with its ingrained ideas of borders nation states and other entities often makes it is very difficult to gain a critical distance and detachment to see beyond conventional perspectives The unique approach of

this book offers an antidote to this problem Cases discussed in the book range from Palaeolithic caves the ancient walls of G bekli Tepe Jericho and Babylon to the foundation of Rome the Chinese Empire medieval Europe and the Berlin Wall The book also looks at contemporary developments such as the Palestinian wall Eastern and Southern European examples Trump s proposed Mexican wall the use of Greece as a bulwark containing migration flows and the transformative experience of voluntary work in a Calcutta hospice In doing so the book offers a political anthropology of one of the most fundamental yet perennially problematic human practices the constructing of walls As such it will appeal to scholars of sociology anthropology and political theory

Uncovering Social Life Chris Shilling, Philip A. Mellor, 2017-12-12 In an era when rapid social change the disappearance of traditional communities the rise of political populism and the threat posed by radical religious movements makes it appear that all that is solid melts into air the classical sociological problem of how peaceable societies can be created and maintained assumes renewed urgency *Uncovering Social Life Critical Perspectives from Sociology* explores how contemporary institutional changes erode existing social relationships and identities but also create space for opposition to or creative adaptation of these broader shifts Exploring the threats and opportunities associated with the contemporary age this book identifies how sociology helps us understand the problems associated with social order and change before focusing on the most important institutional transformations to have occurred in bodies and health sex gender and sexuality employment finance the Internet and new social media technology and artificial intelligence religion governance and terrorism After a critical introduction placing these issues in their historical and sociological context theoretical chapters analysing how sociology views the individual society relationship and the volatile processes endemic to the modern era provide an innovative and comprehensive context for these explorations This book provides a clear and engaging account of social life Covering a broad range of sociological topics the diverse chapters are united in a concern with three major themes the growing complexity of the current era and the doubled identities with which it is associated the opportunities and constraints such developments pose to different groups and the capacity of institutional changes to both erode existing social relationships and create space for the emergence of new collective identities that oppose these structural shifts

Sport, Violence and Society Kevin Young, 2019-03-28 In this fully updated and revised new edition of his landmark study of violence in and around contemporary sport Kevin Young offers a comprehensive sociological analysis of an issue of central importance within sport studies The book explores organised and spontaneous violence both on the field and off and calls for a much broader definition of sports related violence to include issues as diverse as criminal behaviour by players abuse within sport and exploitative labour practices Offering a sophisticated theoretical framework for understanding violence in a sporting context and including new case studies and updated empirical data from professional soccer in Europe to ice hockey in North America the book establishes a benchmark for the study of violence within sport and wider society Through close examination of often contradictory trends from anti violence initiatives in professional sports leagues to the

role of the media in encouraging hyper aggression the book throws new light on our understanding of the socially embedded character of sport and its fundamental ties to history culture politics social class gender and the law This new edition also recognises burgeoning new literatures such as research examining concussion and the link between sport and mental illness and includes student friendly pedagogical aids such as critical thinking questions at the end of each chapter Sport Violence and Society is a vital read for anyone studying or working in the areas of the Sociology of Sport Sport Psychology Ethics and Philosophy of Sport Sport and Politics Sports History and Sport and the Media *Norbert Elias and Social Theory* T. Landini, 2013-11-18 This book will compare the approach and works of Norbert Elias well known for his analysis of the civilizing process his work on sport and violence and more largely his figurational approach with other important social theories both classical and contemporary *The Palgrave Handbook of Biology and Society* Maurizio Meloni, John Cromby, Des Fitzgerald, Stephanie Lloyd, 2017-10-27 This comprehensive handbook synthesizes the often fractured relationship between the study of biology and the study of society Bringing together a compelling array of interdisciplinary contributions the authors demonstrate how nuanced attention to both the biological and social sciences opens up novel perspectives upon some of the most significant sociological anthropological philosophical and biological questions of our era The six sections cover topics ranging from genomics and epigenetics to neuroscience and psychology to social epidemiology and medicine The authors collaboratively present state of the art research and perspectives in some of the most intriguing areas of what can be called biosocial and biocultural approaches demonstrating how quickly we are moving beyond the acrimonious debates that characterized the border between biology and society for most of the twentieth century This landmark volume will be an extremely valuable resource for scholars and practitioners in all areas of the social and biological sciences The chapter Ten Theses on the Subject of Biology and Politics Conceptual Methodological and Biopolitical Considerations is open access under a CC BY 4.0 license via link [springer.com](https://www.springer.com) Versions of the chapters The Transcendence of the Social Scrutinizing the Epigenetics Revolution Species of Biocapital 2008 and Speciating Biocapital 2017 and Experimental Entanglements Social Science and Neuroscience Beyond Interdisciplinarity are available open access via third parties For further information please see license information in the chapters or on link [springer.com](https://www.springer.com) *The Making of Anti-Sexist Men* Harry Christian, 2003-08-29 The idea of the anti sexist man is often treated with scorn by feminists and hesitantly by men People are suspicious and unsure about the whole idea Based around interviews with eight men who have responded positively to feminism this book provides the reader with the first full length discussion of anti sexist male attitudes The interviewees tell their life stories their making and reveal their differences to male chauvinists Timely and sincere The Making of Anti Sexist Men will appeal to all those interested in changing oppressive gender attitudes and social structures *Etzioni's Critical Functionalism* David Sciulli, 2011-01-17 Written for social theorists and general readers including undergraduates David Sciulli's book is the first to explain not only how but also why Amitai Etzioni's publications

evolved from his dissertation to Active Society and Socio Economics to Communitarianism **The Sociology of Healthcare**
Alan Clarke, 2013-09-13 The Sociology of Healthcare Second Edition explores the impact of current social changes on health illness and healthcare and provides an overview of the fundamental concerns in these areas This new edition features a brand new chapter entitled End of Life which will help health and social care workers to respond with confidence to one of the most difficult and challenging areas of care The End of Life chapter includes information on changing attitudes to death theories of death and dying and palliative care All chapters have been thoroughly updated to address diversity issues such as gender ethnicity and disability In addition expanded and updated chapters include Childhood and Adolescence and Health Inequalities The text is further enhanced through the use of case studies that relate theory to professional practice and discussion questions to aid understanding Links to websites direct the reader to further information on health social wellbeing and government policies This book is essential reading for all students of healthcare including nursing medicine midwifery and health studies and for those studying healthcare as part of sociology social care and social policy degrees In an age when health policy follows an individualist model of personal responsibility this book by Alan Clarke demonstrates with a vast array of evidence just how much there is such a thing as society An excellent overall book Dr Stephen Cowden Senior Lecturer in Social Work Coventry University
