Virginia Winery Guide:

Handy Guide to Virginia Wineries Donna R. Gough, 2013-03 Handy Guide to Virginia Wineries introduces readers to Virginia's wine regions and wineries in one easy to read and accessible package. By providing a description of the wineries detailing the wines they offer and including prices that specify the tasting fee as well as the cost of the wine, it offers all the basic information potential visitors will need. The guide also covers special occasions sponsored by the wineries such as live music festivals and charity events as well as whether children and pets are welcome to the winery or if the winery is available to rent for parties or weddings. More than fifty maps show the precise location of the wineries, which is particularly useful for those located in regions where GPS coverage is often spotty or selects a route of unpaved and narrow mountain roads. An up to date directory, tour guide and excellent source of reference, this book is geared to adults with an interest in wine and in exploring Virginia.
