Visions Of You:

Visions of You George Betts,1972 Marrying Your Vision Rodney Smith,2007-09 Discover your purpose for life and do it deliberately Often times we get a vision or a thought in our minds that won't go away Without the know how of bringing that vision full circle it lays by the way side This is similar to what happens when a crush stays incubated in a shy mind You walk away without finding out where that road would have led you I call that the coulda shoulda woulda syndrome It is said the only sin in failing is if you never tried I implore you through the tools shared in Marrying Your Vision to take an internal inventory of where you are as it compares to where you know dream you should be As you turn the pages you will see the correlation between the stages leading up to marriage and the process involved in developing the vision God has whispered to you Focus on each of the four levels as if your life depended on it because your bloodline actually does **The Solution to Your Success** Rok Zolnir,2015-10-07 Throughout this book I want to make you realize that life is beautiful you just need to find or create the solution to succeed in it Its going to take you through different aspects of success whether is that in your personal life family life or business work life and will lead you to put them on the right track by giving you a skill to recognize your visions set up your goals and the ability to achieve them As a result it will teach you how to continuously live your life successfully Accordingly to achieve your success you will need to connect two main domains of the success with four different stages which I talk about throughout this book These four stages are Stage 1 Open your eyes and start living your beautiful life Stage 2 Transmit your destiny Stage 3 Control your mind and wisdom Stage 4 Keep moving forward Now I challenge you to stay focused and forget about the problems This is the key to becoming successful with this book as it is not concerned with talking about problems but rather focused on creating and finding solutions **Pennsylvania School Journal** ,1913 *The Royal Cleaner: Books 1-9* L.C.
