Anonymous,2019-11-21 In *The International Jew The World s Foremost Problem* the author delves into the contentious subject of Jewish influence in global affairs presenting a series of articles that purport to analyze the supposed dominance of Jews in economic cultural and political spheres Written in a polemical and provocative style the book is steeped in the rhetoric of early twentieth century anti Semitism reflecting the prejudices and fears of a post World War I society grappling with the consequences of rapid modernization and upheaval The text serves as both a reflection and product of its time sparked by a growing milieu of conspiracy theories and nationalist sentiments The identity of the author remains elusive contributing to the intrigue surrounding the text and its motivations Commonly attributed to figures like Henry Ford the publication arises from a milieu of anxiety over changing social dynamics and race relations in America and beyond during the early 1920s The author s choice to remain anonymous may suggest a desire to shield individual accountability while disseminating controversial ideas thereby underscoring the veiled nature of propaganda strategies often deployed against marginalized communities This book invites readers to critically engage with its themes and the historical context in which it was penned By understanding the interplay between literature and societal tensions readers can unearth essential insights into the insidious nature of anti Semitic discourse Recommended for those interested in the intersections of literature history and sociology it serves as a cautionary tale about the power of ideas and their potential to shape societal attitudes *The International Jew* Henry Ford,2017-04-13 *The International Jew* is a four volume set of booklets or pamphlets published and distributed in the early 1920s by Henry Ford In Spring 1920 Ford made his personal newspaper *The Dearborn Independent* chronicle what he considered the Jewish menace Every week for 91 issues the paper exposed some sort of Jewish inspired evil major story in a headline The most popular and aggressive stories were then chosen to be reprinted into four volumes called *The International Jew* Vol 1 *The International Jew The Jew in Character and Business* *Germany s Reaction Against the Jew* *Jewish History in the United States* *The Jewish Question Fact or Fancy* *Anti Semitism* *Will It Appear in the U S Jewish*

Why discuss the Jewish Question Because it is here and because its emergence into American thought should contribute to its solution and not to a continuance of those bad conditions which surround the Question in other countries The Jewish Question has existed in the United States for a long time Jews themselves have known this even if Gentiles have not There have been periods in our own country when it has broken forth with a sullen sort of strength which presaged darker things to come Many signs portend that it is approaching an acute stage Not only does the Jewish Question touch those matters that are of common knowledge such as financial and commercial control usurpation of political power monopoly of necessities and autocratic direction of the very news that the American people read but it reaches into cultural regions and so touches the very heart of American life This question reaches down into South America and threatens to become an important factor in Pan American relations It is interwoven with much of the menace of organized and calculated disorder which troubles the nations today It is not of recent growth but its roots go deep and the long Past of this Problem is counterbalanced by prophetic hopes and programs which involve a very deliberate and creative view of the Future This little book is the partial record of an investigation of the Jewish Question It is printed to enable interested readers to inform themselves on the data published in The Dearborn Independent prior to Oct 1 1920 The demand for back copies of the paper was so great that the supply was exhausted early as was also a large edition of a booklet containing the first nine articles of the series The investigation still proceeds and the articles will continue to appear as heretofore until the work is done The

motive of this work is simply a desire to make facts known to the people Other motives have of course been ascribed to it But the motive of prejudice or any form of antagonism is hardly strong enough to support such an investigation as this Moreover had an unworthy motive existed some sign of it would inevitably appear in the work itself We confidently call the reader to witness that the tone of these articles is all that it should be The International Jew and his satellites as the conscious enemies of all that Anglo Saxons mean by civilization are not spared nor is that unthinking mass which defends anything that a Jew does simply because it has been taught to believe that what Jewish leaders do is Jewish Neither do these articles proceed upon a false emotion of brotherhood and apology as if this stream of doubtful tendency in the world were only accidentally Jewish We give the facts as we find them that of itself is sufficient protection against prejudice or passion *The International Jew, the World's Foremost Problem* ,1920 **The International Jew** ,1920 *The International Jew, the World's Foremost Problem* ,1920 The International Jew Ford, Sr. (Henry),1920 Vol 1 issued without added title v 2 Jewish activities in the United States v 3 Jewish influences in American life v 4 Aspects of Jewish power in the United States Jewish Activities in the United States Dearborn Independent,1921 **The International Jew** Henry Ford,2004-02-01 *The International Jew, the World's Foremost Problem* ,1920
