Fielding 1755 ours that they do not redeem this want of propriety by the possession of any remarkable literary merit Three or two and part of a third seemed to escape this double censure the first two acts of the Author's Farce practically a piece to themselves for the Puppet Show which follows is almost entirely independent the famous burlesque of Tom Thumb which stands between the Rehearsal and the Critic but nearer to the former and Pasquin the maturest example of Fielding's satiric work in drama These accordingly have been selected the rest I have read and he who likes may read I have read many worse things than even the worst of them but not often worse things by so good a writer as Henry Fielding The next question concerned the selection of writings more miscellaneous still so as to give in little a complete idea of Fielding's various powers and experiments Two difficulties beset this part of the task want of space and the absence of anything so markedly good as absolutely to insist on inclu We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work
