Weber,2018-08-01 Find out the dangers of being lost in the rainforest with the five shocking stories in each book in this series The survivors faced deadly animals like jaguars and poisonous spiders and encountered dangerous terrain with heavy rains flooding and waterfalls Readers will learn how they each made it out alive with little more than an iron will *The Jungle Survival Manual, 1939-1945* Alan Jeffreys,2020-01-10 The army guide that taught WWII soldiers how to survive in the jungles and swamps of the tropics During the Second World War Allied soldiers fought to survive not only encounters with the enemy but the landscape they found themselves in Being posted to Southeast Asia and the Pacific to fight the Japanese meant soldiers had to learn to survive in the tropics fighting and living in endless steamy jungle and perilous swamps In this alien environment men had to be able to take care of themselves rather than relying on their unit to supply their needs something that did not come naturally to the many soldiers born and raised in cities To help them the British and US armies produced a number of official training manuals and guides explaining how to identify and fight the Japanese and avoid their deadly punji traps as well as jungle lore How to find and cook plants that were safe to eat Which animals and insects could

kill them How to identify and treat tropical illnesses and diseases How to avoid the dangers of polluted water and cannibals The Jungle Survival Manual brings together the official manuals and information that enabled the Allies to fight in Burma Malaya Thailand Indochina Singapore and the Pacific Islands and win the war Includes diagrams and drawings reproduced from the original guides **The Jungle** Upton Sinclair, 2019-09-30 A manifesto for social change The Jungle savagely reveals the American dream gone sour Sinclair strips away the myth of America as a boon to the tired the poor the huddled masses yearning to breathe free Instead the golden land of manifest destiny is shown to be a Dickensian nightmare where wage slaves can barely survive where powerless immigrants are chewed up by a capitalist machine oiled by corruption and bald greed
