The Key A True Encounter:

The Key Whitley Strieber, 2011-05-12 From the bestselling author of *Communion* comes the mysterious true story of how an unknown visitor barged into Strieber's hotel room late one night and imparted extraordinary lessons in personal development and man's fate that challenge us to rethink every assumption about the meaning of life At two thirty in the morning of June 6 1998 Whitley Strieber was awakened by somebody knocking on his hotel room door A man came in and everything he said was life altering This is the unsettling and ultimately enlightening narrative of what happened that night Strieber was never really sure who this strange and knowing visitor was a Master of Wisdom A figure from a different realm of consciousness A preternaturally intelligent being He called him the Master of the Key The one thing of which Strieber was certain is that both the man and the encounter were real The main concern of the Master of the Key is to save each of us from self imprisonment Mankind is trapped the stranger tells Strieber I want to help you spring the trap In a sweeping exchange between Strieber and the stranger which takes the form of a classical student teacher dialogue in pursuit of inner understanding the unknown man presents a lesson in human potential esoteric psychology and man's fate He illuminates why man has been caught in a cycle of repeat violence and self destruction and the slender but very real possibility for release In its breadth and intimacy *The Key* is on par with contemporary metaphysical traditions such as *A Course in Miracles* or even with the dialogues of modern wisdom teachers such as D T Suzuki and Carl Jung *The Key to True Christianity* Matthew O'Keefe, 1874 *True Confessions in the Key of Eros* Guy de Sevaunt, 2014-09-05 This book wrote itself so to speak For many years this author had maintained the attitude that the multifarious erotic experiences that are the subject of this book ought to remain in the minds of the participants to be reawakened revisited and enjoyed only by them This instinctive assessment gradually morphed into a realization that there lies no shame in sharing one's sexual adventures with whoever cares to visit them and or vicariously participate The abiding caveat being of course to scrupulously maintain the privacy of the individuals who unwittingly share this largesse allowing for the enjoyment of countless third party participants This book then is dedicated to those who venture to enjoy the erotic journeys of the senses Are there those that do not *Prisoner of Infinity* Jasun Horsley, 2018-03-20 *Prisoner of Infinity* examines modern day accounts of UFOs alien abductions and psychism to uncover a century long program of psychological fragmentation collective indoctrination and covert cultural social and mythic engineering Whether it is the forces of God government aliens from outer or inner space or the incalculable effects of childhood sexual trauma on the human psyche premature contact with these forces compels us to create crucial fictions Such semi coherent mythic narratives make partial sense out of our experience but in the process turn us into the unreliable narrators of our own lives Taking UFOs and the work of experimenter Whitley Strieber as its departure point *Prisoner of Infinity* explores how beliefs are created and perceptions are managed in the face of the inexplicably complex forces of our existence While keeping the question of a non human and or paranormal element open the book maps how all too human
