The Kingdom of God Patrick Ellison, 2024-10-28 Many scriptures teach us about the Kingdom of God But what is it Is Heaven just a place we go when we die Does Christ rule now This book argues from the scriptural narrative about the nature characteristics and relevancy of the Kingdom for Christians It gives examples on how to live with the perspective of Gods reign and redemptive plan

The Kingdom of God Nicholas Perrin, 2019-02-26 What does the Bible say about God s Kingdom and what Kingdom living looks like In the last hundred and fifty years the concept of the kingdom of God has emerged as one of the most important topics in theology New Testament studies and the life of the church In The Kingdom of God Nicholas Perrin explores this dominant biblical metaphor one that is paradoxically the meta center and the mystery in Jesus proclamation After surveying interpretations by figures from Ritschl to N T Wright Perrin examines questions such as

What exactly is the kingdom of God What do different Christian traditions mean when they talk about the Kingdom How should we interpret Jesus teachings about the Kingdom What does it mean for the people of God and what does it mean for how they live in the world Perrin contends that the kingdom is inaugurated in Jesus earthly ministry but its final development awaits later events in history In between the times however the people of God are called to participate in the reign of God by living out the distinctly kingdom ethic through hope forgiveness love and prayer _____ Part of the Biblical Theology for Life series this practical and robust book will help you ground your understanding of the Kingdom of God on the solid foundation of biblical exegesis and reflection

The Kingdom of God John Fuellenbach, 2006-04-01 The fruit of many decades of study and teaching The Kingdom of God provides an impressive systematic treatment of the doctrine of the Kingdom of God It is a comprehensive review of this crucial symbol as well as a careful analysis of its meaning and a creative interpretation of the Kingdom motif for the church and Christians in our age The Kingdom of God begins by analyzing the background of this idea in Hebrew scripture and tradition and in the preaching of Jesus Fuellenbach explores how this elusive phrase presents a specific comprehensive view of reality and a goal for transforming the world In Fuellenbach's reading the Kingdom forms the core of Christian faith and the reference point of all theology spirituality and apostolic activity Fuellenbach pays special attention to the relationships among Kingdom Church and World arguing that with the Kingdom Jesus proclaimed a vision that embraces God humankind and the whole of creation in the single most comprehensive vision of reality imaginable The Kingdom of God is balanced and nuanced in its scholarship but also vigorous and courageous in taking positions sure to provoke debate For example Fuellenbach argues that the word Kingdom is to be preferred over the word Reign despite critiques that find the word problematic in its patriarchal connotations Designed for and tested in classrooms worldwide The Kingdom of God will be particularly useful in both scripture and theology courses It holds much food for thought for religious educators pastoral workers clergy and others who

The Kingdom of God Is Here! Stephen Paul Baltz,2011 Have you recently become a Christian and now have a Spiritual thirst that the Holy Spirit gives you to read and learn more about your new found life in Christ and don t know where to turn or what to read for answers Reading the gospel of John and proceeding into the book of Acts is a wonderful enlightenment but what about those nagging questions that keep coming to mind and what do those various confusing and conflicting expressions that you hear mean What is Pentecostalism What is Charismatic the baptism of the Holy Spirit and moreover did I receive them with my Salvation Speaking in tongues is it something that I need to do to become a completed Christian Should I still expect to see miraculous healings today Are there such things as Demons and what are they allowed to do This book answers all of those questions and more Stephen P Baltz was born in Southern California where he attended college received a degree in Political Science entered law school and worked in the title insurance industry The Lord interrupted these careers and led him into banking where early in his profession he was led to Santa Ana California for four months just long enough for him to make a highly speculative loan while the Lord supernaturally controlled members of the Loan Committee thereby allowing the formation of a major Christian broadcasting network Later the Lord caused various banking regulators to give him and his wife the ownership of five failed banks and approximately 3 700 000 while assisting them in restoring those banks to rapid profitability The Lord changed his

The Paradigm of the Kingdom of God Dan Westerfield, 2023-04-11 The Paradigm of the Kingdom of God This book traces redemptive history from the Garden of Eden to the New Heaven and Earth through the paradigm of the kingdom of God Jesus Christ's saving work is the supreme event in all history but it takes place within the context of the kingdom When we follow God's plan of salvation through the kingdom's progress the events unfold like an immense novel because we see God's divine providence revealed through both biblical and secular accounts God initiates the kingdom paradigm when he tells Adam and Eve to be fruitful and multiply and rule Gen 1:28 This is a mandate to establish God's righteous kingdom on the earth and it is repeated to Noah and then Israel But the story of the Old Testament is that Adam and Eve Noah and his family and Israel all sin and rebel and cannot establish God's kingdom The New Testament tells us about Jesus Christ the Son of God coming to earth to become one of us He begins His ministry by proclaiming The time is fulfilled and the kingdom of God is at hand repent and believe in the gospel Mark 1:15 Jesus begins to fulfill the kingdom mandate He is fruitful and multiplies through spiritual children And Jesus begins to rule He teaches casts out demons calms storms heals the sick raises the dead and feeds the hungry He establishes a kingdom of His faithful followers But Jesus must also die for their sins and rise again so that they can be declared righteous fit for God's kingdom After Jesus ascends to heaven and establishes the Church the kingdom advances through the Church's ministry Understanding redemptive history through the kingdom paradigm differs from the long standing interpretations of Dispensationalism and Covenantalism These views are considered in this book but the focus is on how the kingdom is central to God's design for history Following its progress helps us see our location and roles in the fulfillment of God's divine plan This can inform our faith and increase Church unity as we glorify God through His amazing plan of redemption
