Medical Adventures of Sherlock Holmes, Dr Watson and Dr Verner Carl Heifetz, 2018-09-14 The Sherlockian Canon as prolific as it is contains few accounts in which Mr Holmes as his medical colleagues Drs Watson and Verner solve cases involving frightening medical conditions It strikes me that many more such cases were successfully solved by Mr Holmes and his associates It is unlikely that Drs Watson and Verner would allow such mysteries remain unsolved However the likelihood of public fear and panic has resulted in the stories being kept secret Thanks to the current Verner family we have now been permitted to read Dr Watson's narrative concerning these adventures *JAMES OLIVER CURWOOD Ultimate Collection: 40+ Action Thrillers, Western Classics, Adventure Novels & Short Stories (Illustrated)* James Oliver Curwood, 2024-01-16 James Oliver Curwood's Ultimate Collection presents an exhaustive anthology of over 40 action thrillers adventure novels and classic westerns that epitomize early 20th century American literature Curwood's adept narrative style captures the rugged beauty of the outdoors and the essence of human struggle against nature and societal constraints Richly illustrated this collection combines vivid storytelling with engaging dialogue inviting readers into a world deeply influenced by themes of wilderness survival morality and the complexities of human relationships all set against the backdrop of the North American landscape where Curwood spent much of his life An influential figure in the naturalist movement Curwood was not only a novelist but also a conservationist and filmmaker His experiences in the Canadian wilderness and advocacy for environmental preservation shaped his writing instilling it with an authentic sense of place and an acute awareness of the relationship between mankind and nature Curwood's passion for wildlife and outdoor life resonates throughout his works showcasing his belief in the importance of preserving nature and understanding its power For readers seeking thrilling narratives filled with adventure danger and a touch of nostalgia Curwood's Ultimate Collection is an invaluable addition to any library Its illustrated format enhances the reading experience making it an accessible and enchanting journey through the adventurous worlds Curwood so vividly constructed This compilation not only honors Curwood's literary legacy but also serves as an inspiration for contemporary readers to appreciate the natural world *Ice-world Adventures, Or, Voyages and Travels in the Arctic Regions* James Mason, 1876 *Alex's Adventures in Numberland* Alex Bellos, 2010-04-05 A tenth anniversary edition of the iconic book about the wonderful world of maths Sunday Times bestseller Shortlisted for the BBC Samuel Johnson Prize Original and highly entertaining Sunday Times A page turner about humanity's strange never easy and above all never dull relationship with numbers New Scientist Will leave you hooked on numbers Daily Telegraph In this richly entertaining and accessible book Alex Bellos explodes the myth that maths is best left to the geeks and demonstrates the remarkable ways it's linked to our everyday lives Alex explains the surprising geometry of the 50p piece and the strategy of how best to gamble it in a casino He shines a light on the mathematical patterns in nature and on the peculiar predictability of random behaviour He eats a potato crisp whose revolutionary shape was unpalatable to the ancient Greeks and he shows

the deep connections between maths religion and philosophy From the world s fastest mental calculators in Germany to numerologists in the US desert from a startlingly numerate chimpanzee in Japan to venerable Hindu sages in India these dispatches from Numberland are an unlikely but exhilarating cocktail of history reportage and mathematical proofs The world of maths is a much friendlier and more colourful place than you might have imagined This anniversary edition is fully revised and updated

THE

ADVENTURES OF HUCKLEBERRY FINN Mark Twain, 2014-03-20 Ernest Hemingway himself one of the giants of American literature believed this book to be the novel that all modern American literature comes from This is a massive claim when considering the contribution Americans have made in this form throughout the 20th century Fitzgerald Steinbeck Faulkner Pearl Buck Joseph Heller Philip Roth Saul Bellow and the list of significant contributors to 20th century literature could go on and on So what made this book so important and powerful in the development of the modern US novel Firstly it tackled difficult and relevant issues of its time in fact of any time Racism slavery abuse the plight of children are all woven into the fabric of the story The story raises issues of morality and individual conscience in a natural and not preachy context and presents the dilemmas in situations that most would appreciate and relate to whether they agreed with the implied conclusions or not It made the reader think and not just follow the plot And the voices of the novel and especially the narrator Huck himself are authentic ordinary characters not literary creations spouting intricate prose but real people speaking a language that readers understood however offensive some of it might appear today Add to this Twain's inimitable style and mordant sense of humour and invention and the sum of the parts becomes a very significant and meaningful whole The book has sparked controversy ever since publication for being both racist and crude on one hand but also too pro black and anti Southern on the other It has been banned from libraries and school curricula and subsequently restored then often banned again depending on the prevailing political and social climate It continues to cause controversy for both its language and views but it is a novel that was deliberately written to question the conventional the establishment view and to pose questions like whether institutionalised practices should just be accepted or sometimes be opposed even at personal risk or cost These questions are still relevant today perhaps more relevant some might say The conclusions of the novel might be Mark Twain's own views but if they can help to stimulate thinking and debate on crucial issues of the day then this is a piece of work that is still worth reading and reflecting on
