The Leadership Communication Lab Travis L. Russ, Meghann L. Drury-Grogan, Ph D Meghann L Drury-Grogan, 2014-11-06
With The Leadership Communication Lab authors Travis L Russ Ph D and Meghann L Drury Grogan Ph D Fordham University Gabelli School of Business have created an easy to use facilitation guide for a business communication simulation that tests students leadership abilities in a fast paced and high pressured work environment The increasingly complex and ever shifting nature of business communication requires leaders who are adept at maneuvering through new and unexpected challenges Going beyond traditional speaking and writing assignments this simulation evaluates students abilities to Negotiate under pressure Manage organizational crises Conduct stakeholder analyses Manage interpersonal dynamics Navigate intercultural exchanges Tailor messages to diverse media channels This up to date simulation helps students grow into authentic dynamic professionals and provides practical tools for future success

Communication and Group Decision Making Randy Y. Hirokawa, Marshall Scott Poole, 1996-07-09 The long awaited second edition of Communication and Group Decision Making advances a unique perspective on group decisionmaking complementing approaches taken in management psychology and sociology Group communication processes are extremely important yet they have proven to be elusive and difficult to understand and the type of theory necessary to make sense of the processes differs from those commonly found in the social sciences This exceptional book gathers together and discusses a number of strong theoretical frameworks that have developed over the past 15 years Providing important empirical evidence the authors take stock of recent developments in group communication research The essays are distinctive both in their explicit focus on communication processes and in their location in a unique intellectual tradition
