The Life of Saint Monica F. A. Forbes, 2017-08-14 This book is above all things the story of a mother But it is also the story of a noble woman a woman who was truly great for the reason that she never sought to be so Because she understood the sphere in which a woman s work in the world must usually lie and led her life truly along the lines that God had laid down for her because she suffered bravely forgot herself for others and remained faithful to her noble ideals she ruled as a queen amongst those with whom her life was cast Her influence was great and far reaching but she herself was the last to suspect it the last to desire it and that was perhaps the secret of its greatness The type is rare at the present day but thank God There are Monicas still in the world If there were more the world would be a better place Excerpt CHAPTER I HOW ST MONICA WAS BROUGHT UP BY CHRISTIAN PARENTS IN THE CITY OF TAGASTE On the sunny northern coast of Africa in the country which we now call Algeria stood in the early days of Christianity a city called Tagaste Not far distant lay the field of Zarna where the glory of Hannibal had perished for ever But Rome had long since avenged the sufferings of her bitter struggle with Carthage It was the ambition of Roman Africa as the new colony had been called by its conquerors to be if possible more Roman than Rome Every town had its baths its theatre its circus its temples its aqueducts It was forbidden even to exiles as a place of refuge too much like home said the authorities It was about the middle of the fourth century The Church was coming forth from her long imprisonment into the light of day The successor of Constantine in name a Christian sat on the Imperial throne The old struggle with paganism which had lasted for four hundred years was nearly at an end but new dangers assailed the Christian world Men had found that it was easier to twist the truth than to deny it and heresy and schism were abroad In the atrium or outer court of a villa on the outskirts of Tagaste an old woman and a young girl sat together looking out into the dark shadows of the evening for the hot African sun had sunk not long since behind the Numidian Mountains and the day had gone out like a lamp And the holy Bishop Cyprian asked the girl They sent him into exile said the old woman for his father had been a Senator and his family was well known and powerful At that time they dared not put him to death though later he too shed his blood for Christ It was God s will that he should remain for many years to strengthen his flock in the trial Did you ever see him grandmother asked the girl No said the old woman it was before my time but my mother knew him well It was when he was a boy in Carthage and still a pagan that the holy martyrs Perpetua and Felicitas suffered with their companions It was not till years after that he became a Christian but it may have been their death that sowed the first seed in his heart Tell me said the girl softly It was an oft told tale of which she never tired Her grandmother had lived through those dark days of persecution and it was the delight of Monica s girlhood to hear her tell the stories of those who had borne witness to the Faith in their own land of Africa Perpetua was not much older than you said the old woman She was of noble race and born of a Christian mother though her father was a pagan She was married and had a little infant of a few months old When she was called before the tribunal of Hilarion the Roman Governor

all were touched by her youth and beauty Sacrifice to the gods they said and you shall go free I am a Christian she answered and nothing more would she say press her as they might Her old father hastened to her side with the baby and laid it in her arms Will you leave your infant motherless he asked and bring your old father s hairs in sorrow to the grave **The Life of Saint Monica** Frances Alice Forbes,2020-07-31 Reproduction of the original The Life of Saint Monica by Frances Alice Forbes **2019 - DEBBIES BOOK(R) 31st Edition** Debbie Hemela,2019-02-06 2019 Debbies Book 31st Edition Digital Printable Book All the ways to experience Debbies Book Physical book for users who want to hold it in their hands Printable book for users who want to print certain pages Searchable online database accessible from any device Blog featuring how tos vendors and news The book is organized by categories in alphabetical order Addresses for Prop Houses and Costume Rental Houses are only displayed in the Prop House and Costume Rental House categories to save space **2018 - DEBBIES BOOK(R) 30th Edition** Debbie Hemela,2018-02-28 2018 Debbies Book 30th Edition Digital Printable Book 5 ways to experience Debbies Book Physical book for users who want to hold it in their hands Printable book for users who want to print certain pages Searchable eBook PDF with the full exported database Mobile App for iOS Android Devices Blog featuring how tos vendors and news The book is organized by categories in alphabetical order Addresses for Prop Houses and Costume Rental Houses are only displayed in the Prop House and Costume Rental House categories to save space **The Reference Catalogue of Current Literature** ,1894 **2016 - DEBBIES BOOK(R) 28th Edition** Debbie Hemela,2016-02-10 2016 Debbies Book 28th Edition Digital Printable Book 5 ways to experience Debbies Book Physical book for users who want to hold it in their hands Printable book for users who want to print certain pages Tablet friendly eBook for users who love their iPads and eReaders Mobile App for iOS Android Devices Blog featuring how tos vendors and news The book is organized by categories in alphabetical order Listings for Prop Houses and Costume Rental Houses are shortened to one or two lines to save space Their full contact information is located within the Prop House and Costume Rental Houses categories only Convent Autobiography Victoria Van Hyning,2019-09-06 Convent Autobiography explores the ways in which cloistered women evaluated and articulated their senses of self through letters chronicles accounts and other such genres The book explores writings by women who composed under their own names and those who composed anonymously and considers three case studies devoted to anonymous chronicling **InfoWorld** ,1983-10-10 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects **History of Edamame, Vegetable Soybeans, and Vegetable-Type Soybeans (1000 BCE to 2021)** William Shurtleff; Akiko Aoyagi,2021-11-04 The world s most comprehensive well documented and well illustrated book on this subject With extensive subject and geographic index 100 photographs and illustrations mostly color Free of charge in digital PDF format **Annual Department of Defense Bibliography of Logistics Studies and Related Documents** United States.
