The Lost Messiah:

The Lost Messiah John Freely, 2001 **The Lost Messiah** John Freely, 2001 The Lost Messiah is the astonishing story of Sabbatai Sevi a 17th century rabbi who through the mysticism of the kabbalah convinced vast numbers of Jews throughout Europe the Middle East and North Africa that he was the long awaited Messiah Many of his followers were disappointed when he embraced Islam on threat of execution from the Turkish sultan but many others continued to believe in him Some of them even converted to Islam creating the sect known as the Donme outwardly Muslim yet clinging secretly to Judaism Today a few Sabbatians still secretly hold true to their beliefs patiently waiting for their Messiah to return and lead them to redemption they believe that Sabbatai is not dead but merely hidden from human view despite more than three centuries having passed since he left them The Lost Messiah Fred Worfe, 2014-09-30 Two thousand years ago an ingenious but dead broke Roman intelligence officer is coerced into accepting a secret assignment to investigate what s going on in faraway Judea with a political troublemaker called Yeshua At least that s what he s told Boarding a rebellious little ship surviving a shipwreck an assassin s knife and a desert caravan attack south of Caesarea he arrives in Jerusalem to find that Yeshua has been crucified on the hill of Golgotha between two common criminals Fascinated knee deep already in intrigue his life hanging in the balance by a thread he begins his own investigation of the crucifixion and its aftermath Mission over escaping to the sea barely ahead of Governor Pontius Pilate s soldiers he is told the truth about who he really is why he is still alive and the real reason he was sent on this strange and perilous task and the Shroud of Turin is on its way to Rome with the secret help of Pontius Pilate s wife King Josiah of Judah Marvin A. Sweeney, 2001-03-08 King Josiah of Judah is a figure of extraordinary importance for the history of Israel Using synchronic and diachronic analyses of the Deuteronomistic History Deuteronomy and selected prophetic books Marvin Sweeney reconstructs the ideological perspectives of King Josiah s program of religious and national restoration *King Josiah of Judah* Marvin Alan Sweeney, 2001 **Novel Competition** Evan Brier, 2024-04-16 Novel Competition describes the literary and institutional effort to make the American novel matter after 1965 During this era Hollywood movies popular music and other forms of mass produced culture vied with novels for a specific kind of prestige often figured as importance or relevance that had mostly been attached to novels in previous decades This trans media competition Brier argues is a crucial but largely unacknowledged event in the literary and economic history of the American novel In the face of it the novel lost some of the symbolic specialness it formerly held That loss in turn generated not just a much discussed rhetoric of crisis but also a host of unexamined intertwined effects on both literary form and the business of novel production Drawing on a range of novels and on the archives of publishers editors agents and authors Novel Competition shows how fiction s declining position in a transformed popular prestige economy reshaped the post 1965 American novel as art form cultural institution and commodity The Course of Time Robert Pollok, 1831 *The Course of Time, a Poem* Robert Pollok, 1833 **Possessed Voices** Ruthie Abeliovich, 2019-07-01

Analyzes audio recordings of interwar Hebrew plays providing a new model for the use of sound in theater studies Possessed Voices tells the intriguing story of a largely unknown collection of audio recordings a valuable tool for understanding historical theater which preserve performances of modernist interwar Hebrew plays Seldom used in scholarship Ruthie Abeliovich focuses on four recordings a 1931 recording of The Eternal Jew 1919 a 1965 recording of The Dybbuk 1922 a 1961 radio play of The Golem 1925 and a 1952 radio play of Yaakov and Rachel 1928 Abeliovich traces the spoken language of modernist Hebrew theater as grounded in multiple modalities of expressive practices including spoken Hebrew Jewish liturgical sensibilities supplemented by Yiddish intonation and other vernacular accents and in relation to prevalent theatrical forms The book shows how these performances provided Jewish immigrants from Europe with a venue for lamenting the decline of their home communities and for connecting their memories to the present Analyzing sonic material against the backdrop of its artistic cultural and ideological contexts Abeliovich develops a critical framework for the study of sound as a discipline in its own right in theater scholarship The author s focus on historicizing and analyzing sound recordings and radio plays as a means to tackle the pervasive ephemerality problem in theater studies is a novel and valuable approach that represents a significant intervention in the field These types of sources have had scant attention in theater studies to date but Abeliovich makes a compelling argument that they belong at the center Debra Caplan author of Yiddish Empire The Vilna Troupe Jewish Theater and the Art of Itinerancy The Course of Time ... world was a flowing one a realm of slippery presences in constant flux Everything seemed to be in endless motion space time emotions and the individual itself It was a deeply shifting world and this absence of solidity and certainty would come to define both the macro and the microcosms of these inconstant times Like other Baroque phenomena fluidity encompassed a rather complex and wide ranging set of manifestations from the swirls of angels on the ceilings of Pietro da Cortona and the polyvalence of space in the complex interiors by Guarini to the fluidity of being that marked equally the statues of Messerschmidt and Bernini s Borghese mythologies This book charts different aspects of this fluidity discussing fluid geographies fluidity of presence fluidity of spaces and materials fluid souls and water in Baroque culture *Warrior, King, Servant, Savior* Torleif Elgvin, 2022-08-04 An exegetical and diachronic survey of messianic texts from the Hebrew Bible and Jewish tradition up through the first millennium CE Jewish messianism can be traced back to the emerging Kingdom of Judah in the tenth century BCE when it was represented by the Davidic tradition and the promise of a future heir to David s throne From that point it remained an important facet of Israelite faith as evidenced by its frequent recurrence in the Hebrew Bible and other early Jewish texts In preexilic texts the expectation is for an earthly king a son of David with certain ethical qualities whereas from the exile onward there is a transition to a pluriform messianism often with utopic traits Warrior King Servant Savior is an exegetical and diachronic study of messianism in these texts that maintains close dialogue with relevant historical research and archaeological insights Internationally respected biblical scholar Torleif Elgvin recounts the development and impact of messianism from ancient Israel through the Hasmonean era and the rabbinic period with rich chapters exploring messianic expectations in the Northern Kingdom postexilic Judah and Qumran among other contexts For this multifaceted topic of marked interest to Jews Christians and secular historians of religion alike Elgvin s handbook is the essential and definitive guide **The Western Shores of Turkey** John Freely, 2004-06-11 The Western Shores of Turkey is the distillation of a succession of journeys that John Freely made along this coast an odyssey spanning a quarter of a century The Western coast of Turkey has captivated travellers for centuries With its dramatic mountains and idyllic bays and promontories scattered with ancient ruins it is not only one of the most beautiful parts of the country but is also of great historical interest Resting on two continents Turkey reflects and absorbs the cultures of both East and West and nowhere is this more evident than along its Aegean and Mediterranean coasts This is a land immersed in history and mythology it is where Anthony met Cleopatra where Herodotus the father of history was born and where legendary battles were fought from Alexander the Great to Gallipoli By bus car and ca que on foot and post boat from Istanbul to Antakya Antioch on the Syrian border Freely discovered both the charm of modern Turkey and the wonders of its past The result is both an informative guide and a remarkable travelogue for all who follow in his footsteps *The Course of Time: a Poem, in Ten Books* Robert Pollok (Author of *The Course of Time.*), 1829 **The Course of Time: a Poem, in Ten Books. ... The Second Edition** Robert Pollok, 1828 *The Course of Time ... Twentieth Edition* Robert Pollok, 1851
