India will be celebrating 25 years of their dialogue relations. The relationship is set to deepen in coming days as ASEAN and India step up their collaboration across a range of economic and strategic issues including trade and connectivity, culture, people-to-people links, transnational terrorism and maritime security. However, both of them have been facing several challenges which call for concerted efforts by ASEAN and India. With ASEAN and India working towards establishing a Comprehensive Free Trade Area through Regional Comprehensive Economic Partnership (RCEP) agreement, their cooperation will be key in promoting economic stability, competitiveness, growth and integration in the region. This book is a timely initiative to review the past and suggest the ways to further strengthen the economic partnership. It primarily deals with the economic integration issues between ASEAN and India and assesses policy priorities, effectiveness, implementation imperatives and challenges. Each chapter in this book tries to capture essential features of the crosscutting issues and attempts to draw some policy implications. It will be a valuable reference for policymakers, academics and practitioners. Religious Pluralism in the Diaspora Pratap Kumar, 2006-09-01. This book brings together the varied experiences of different cultural groups in their Diaspora context and provides insight into the various issues they have to deal with. The content of the book is divided into the following broad categories: Chinese Experience, Japanese Experience, Brazilian Experience, South Asian Experience, Impact of 9/11 on Muslim Religious Pluralism and Issues of Religious Pluralism in the Diaspora. While keeping theory to a minimum, the book focuses on case studies in the hope this will facilitate scholars to engage in further theoretical work on the phenomenon of religious pluralism in the Diaspora and in answering important questions on how religious pluralism can be conceptualised and which issues need to be addressed in doing so.
