Poverty Kenneth R. Himes, OFM, Conor M. Kelly, 2018-05-01 The poor will always be with you Jesus said but that doesn't mean Christians have ever figured out how to be with the poor Pope Francis has emphasized a vision of a Church that is poor and for the poor But growing economic inequality continues to spread across the globe This book takes a fresh look at the role of churches and individual Christians in relating to poverty and the poor among them A strong focus is placed on the biblical and theological roots of the Church's commitment to care for the poor At times praised as a virtue and blessed as a condition poverty easily confuses us and we are often left doing little to nothing to make a difference with and for the poor As a social evil and a burden poverty has elicited many kinds of reactions among the followers of Christ It is time for Christians to figure out what to do about it Contributors include Pope Francis Pheme Perkins Sandra M Schneider and Thomas Massaro SJ This book provides a wonderful provocative theological framework for those of us who minister among our most vulnerable sisters and brothers For anyone who regularly looks into the eyes of suffering this book offers context hope and inspiration DONNA MARKHAM OP President and CEO Catholic Charities USA The authors challenge us to see hear and think

differently about the meanings of poverty and to love passionately those whom Jesus loved the poor PROFESSOR M SHAWN COPELAND author of *Enfleshing Freedom Body Race and Being As a good Franciscan* Ken Himes knows poverty from the inside and has taught well his student Conor Kelly Here they draw together rich resources that call all of us to the poverty we need and to resist needless poverty This book is an ideal resource for conversation THOMAS H GROOME author of *What Makes Us Catholic Sharing Faith* and many other books Published in cooperation with the Church in the 21st Century Center Boston College

Open to the Spirit Scot McKnight, 2018-04-03 World renowned New Testament scholar offers a straightforward examination of what the Bible says about the Holy Spirit Who exactly is the Holy Spirit What does he do in our lives How can we know him more deeply and is it possible to tap into his power Should we pray to the Holy Spirit Is it possible to be aware of his promptings and speaking into our lives Dr Scot McKnight answers these questions and more in this comprehensive examination of what the Bible says about this divinely important but often confusing member of the Trinity This is the third work in a three part series examining some of the more mysterious components of the Christian faith Scot's *The Heaven Promise* examines the afterlife *The Hum of Angels* elucidates the Bible's teaching on God's supernatural messengers and protectors Now *Open to the Spirit* examines the most mysterious member of the Trinity Scot blogs at Patheos a large multi perspective blog format It serves many influential voices from many faith and non faith traditions Scot's blog draws primarily a Christian readership one that is looking for intellectual engagement and thoughtful analysis of Scripture Theology and Culture

When Texas Prison Scams Religion Michael G. Maness, 2023-05-22 When *Texas Prison Scams Religion* exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ's executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty

Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars
