The Kingdom of God , The Teaching of Jesus Concerning the Kingdom of God and the Church Geerhardus Vos, 1985

The Teaching of Jesus Concerning The Kingdom of God and the Church (Second Edition) Geerhardus Vos, 2020-05-21 Vos is especially helpful in explaining the objective nature of the kingdom and its relationship to the church The Gospel Coalition Fewer works on the kingdom of God have been so helpful and yet so overlooked ExegeticalTools.com Discover why Jesus s teaching about the Kingdom cannot be separated from what he demands of His church Examining the Kingdom s relationship to the church from the Biblical Theology perspective Vos shows why the two are inseparable related theologically and how the gospel writers display this in the ways

they structure Jesus teachings Drawing on his many talents Vos illuminates how the church finds its moral ground in the Kingdom and shows why the two must go together and cannot be separated into merely ethics or mere theology They come together in the church s obedience to Christ s Kingdom call **The Kingdom of God** John Fuellenbach,2006-04-01 The fruit of many decades of study and teaching The Kingdom of God provides an impressive systematic treatment of the doctrine of the Kingdom of God It is a comprehensive review of this crucial symbol as well as a careful analysis of its meaning and a creative interpretation of the Kingdom motif for the church and Christians in our age The Kingdom of God begins by analyzing the background of this idea in Hebrew scripture and tradition and in the preaching of Jesus Fuellenbach explores how this elusive phrase presents a specific comprehensive view of reality and a goal for transforming the world In Fuellenbach s reading the Kingdom forms the core of Christian faith and the reference point of all theology spirituality and apostolic activity Fuellenbach pays special attention to the relationships among Kingdom Church and World arguing that with the Kingdom Jesus proclaimed a vision that embraces God humankind and the whole of creation in the single most comprehensive vision of reality imaginable The Kingdom of God is balanced and nuanced in its scholarship but also vigorous and courageous in taking positions sure to provoke debate For example Fuellenbach argues that the word Kingdom is to be preferred over the word Reign despite critiques that find the word problematic in its patriarchal connotations Designed for and tested in classrooms worldwide The Kingdom of God will be particularly useful in both scripture and theology courses It holds much food for thought for religious educators pastoral workers clergy and others who wish for a clear systematic understanding of Jesus vision of the Kingdom now and to come *The Kingdom of God in the 21St Century* Ty Allen Ed. D,2017-07-24 The kingdom of God is the called out people of God Col 1 1314 from the world of darkness as the spiritual family of Christ The kingdom of God is bound up in the age of grace and truth and is the fulfillment of Gods promise to Abraham to bless all nations of people The kingdom of God in prophecy started during the Roman rule Dan 2 44 with the Jews at Pentecost in Jerusalem ca 33 AD and then to the Gentile world to include our present age Jesus reigns as Lord and Christ over His church the kingdom of God in the twenty first century and continues to call people of every nation to walk with Him by faith repentance and baptism in His name until the consummation of all things and His second return The Christian Age is the eschatology Last Day events of Jesus reign under the leadership of the Holy Spirit through the preached Word The salvation of the Gentile nations is the final work of God to restore what was lost in heaven through Satan and his angels Rev 12 710 When Jesus appears his reign ends and the spiritual family and the church of Christ kingdom of God will go home The Kingdom of God Hegumen Abraam Sleman,2024-12-26 The Kingdom of God stands at the very heart of Scripture and the life of the Church It is not merely a theological concept but a dynamic reality that shapes the faith worship and mission of believers From the first pages of Genesis to the closing vision of Revelation the Kingdom of God is presented as Yahweh s sovereign rule His divine order and the ultimate hope for humanity Jesus Christ the Son of God declared and

embodied this Kingdom revealing its spiritual transformative and eternal nature This book seeks to explore the Kingdom of God as foretold in the Hebrew Scriptures revealed in the ministry of Jesus Christ and proclaimed by His apostles By tracing its journey from prophecy to fulfillment we aim to uncover the richness of this divine mystery and its implications for our faith and daily life The Kingdom is not confined to an abstract future it is here among us as Jesus Himself proclaimed yet awaits its consummation when He returns in glory The Early Church understands the Kingdom of God as both a present reality and a future hope Through the sacramental life baptism chrismation and the Eucharist the believer enters into the Kingdom participating in its grace and life The Church as the Body of Christ becomes the visible sign of the Kingdom on earth where heaven and earth meet in worship communion and transformation At the same time the Church looks forward with unshakable hope to the full manifestation of the Kingdom in the new heavens and the new earth Insights from the early Church Fathers and the prophetic and apostolic writings of Scripture enrich this work St Gregory of Nazianzus St Augustine St John Chrysostom and others have illuminated the mystery of the Kingdom connecting its eternal truths to the life of the faithful The visions of Daniel the teachings of Jesus and the apostolic writings particularly those of Paul and John reveal the multifaceted nature of the Kingdom encompassing its present reality and eschatological fulfillment Modern theological contributions such as those by George Eldon Ladd and Alexander Schmemmann further bridge biblical exegesis and contemporary application This book also emphasizes the role of worship and liturgy as foretastes of the Kingdom reflecting its eternal nature and unceasing worship of God and the Lamb as depicted in Revelation The sacramental life particularly the Eucharist allows believers to experience the grace and glory of the Kingdom here and now while anticipating its ultimate fulfillment This book The Kingdom of God A Biblical Perspective is an invitation to journey deeper into the mystery of the Kingdom of God to see its significance not only as a theological truth but as a lived reality It calls us to embody the values of the Kingdom in our lives to participate fully in the sacramental life of the Church and to bear witness to the hope of the Kingdom in the world May this exploration inspire us to live faithfully as citizens of the Kingdom bearing witness to its light and love in our daily walk and awaiting its ultimate fulfillment in the eternal reign of Yahweh **The Gospel Of the**

The Kingdom of God Austin R. Dayal, 2018-11-20 After proclaiming that God's Kingdom had come near Jesus died on the cross. This is hard to reconcile with what Jesus announced at the start of his ministry. It can only be understood when we realize the relationship between the Kingdom of God and his death. Jesus said flesh and blood can't inherit the Kingdom of God but only those who are born of the Spirit and for this reason Jesus had to die on the cross. Jesus explained this to Nicodemus that only those who are born of the Holy Spirit can enter into the Kingdom of God. He came into the world to make it happen because without the cross of Jesus there is no fulfillment of the Kingdom. The proclamation of Jesus, his works and his life have strong bearing on his mission. Jesus proclaimed that the Kingdom of God had come near. He healed the sick, fed the hungry and gave hope to the poor. He lived a very basic life with his disciples and had no earthly possessions. This was the Kingdom that Jesus proclaimed. It gave the power back to the people, it gave them dignity and a life of joy and contentment. It was about the wellbeing of the whole community and where the leaders served others. Jesus explained the mysteries of his Kingdom through many parables which turned the whole concept of the kingdom on its head and only a few were able to understand it then as it is now. It was a new and unique concept for the disciples to grasp but after his resurrection when he was with them for forty days Jesus explained everything to them as recorded in the book of Acts. He instructed them to remain in Jerusalem till they were baptized by the Holy Spirit. Their empowerment which is usually understood in terms of Peter's bold preaching of the gospel was in fact more than that. It was to give them the courage to leave their earthly possessions and relationships and accept the other believers as their new family where God lived with them and looked after their daily needs spiritual as well as material. This was a very bold step for them to take. It was more daring than standing up to preach before a large crowd on the day of the Pentecost. The first church in Jerusalem became a place where God's Kingdom had come. They rejoiced together as they shared everything and God did mighty works among them. This would not have been possible if they hadn't left their own families and possessions to join the new community of God's people. The church lost the initial impetus that the early Christians had in the way they lived and preached the good news of the Kingdom especially during the post-Constantine period when the church leaders were seduced by the wealth that came from the state treasury. The way Jesus, the apostles and the early Christians had lived was completely forgotten or overlooked. The sixteenth century reformation tried to recover some of the important aspects of Christianity but it did not go far enough. At present the church has become its own worst enemy. Some churches are trying to destroy the very foundation of our salvation by denying the existence of historical Jesus. In others the faith in Jesus has failed to translate into a living reality. It judges the world harshly and does not reflect the values of God's Kingdom in its daily life. We need to reaffirm the apostolic faith and the community life of the early church and become a community of God's redeemed people who follow the principles of his Kingdom. This is the true life and witness of the church.
