The Lambhearted Lion Why Christianity Needs Gay People:

The Lambhearted Lion Brian Karcher, 2015-01-02 As we enter into the debates and discussions regarding gay people I contend that it is fear that is creating the discord The church fears gay people And gay people fear the church I don't claim to have all the answers to the myriad issues here I do claim the way forward the way Jesus would have us go begins with casting out fear with love My utmost contention is that we welcome gays into the church starting with love **A Theology of Gay and Lesbian Inclusion** Donald Grant Hanway, 2006 A Theology of Gay and Lesbian Inclusion Love Letters to the Church challenges traditional church teachings that brand homosexuality as immoral using pertinent scripture from the central Gospel to promote a full acceptance of gay and lesbian Christians This powerful book questions the assumption that gay Christians are morally inferior presenting testimony from gay men and lesbians about prejudice they've experienced at the hands of the Church and its straight members Written as a series of ten letters the book addresses the strengths and weaknesses of the church and appeals for a new understanding and commitment to the acceptance of its gay members

Oriented to Faith Tim Otto, 2014-07-07 Rather than embracing the conflict around gay relationships as an opportunity for the church to talk honestly about human sexuality Christians continue to hurt one another with the same tired arguments that divide us along predictable political battle lines If the world is to know that we are Christians by our love the church needs to discover better ways to live out the deep unity we share in Christ as we engage with politics and our world In *Oriented to Faith* Tim Otto tells the story of his struggle with being gay and what that taught him about the gospel With an authentic and compelling personal voice Tim invites us to explore how God is at work in the world even amidst the most difficult circumstances redeeming and transforming the church through this difficult debate With gentle wisdom and compassionate insight Tim invites all followers of Jesus to consider how we might work with God through these tensions so that all can be transformed by God's good news in and through Christ **Washed and Waiting** Wesley Hill, 2010-11-29 Yet many who sit next to us in the pew at church fit that description says author Wesley Hill As a celibate gay Christian Hill gives us a glimpse of what it looks like to wrestle firsthand with God's No to same sex relationships What does it mean for gay Christians to live faithful to God while struggling with the challenge of their homosexuality What is God's will for believers who experience same sex desires Those who choose celibacy are often left to deal with loneliness and the hunger for relationships How can gay Christians experience God's favor and blessing in the midst of a struggle that for many brings a crippling sense of shame and guilt Weaving together reflections from his own life and the lives of other Christians such as Henri Nouwen and Gerard Manley Hopkins Hill offers a fresh perspective on these questions He advocates neither unqualified healing for those who struggle nor their accommodation to temptation but rather faithfulness in the midst of brokenness I hope this book may encourage other homosexual Christians to take the risky step of opening up their lives to others in the body of Christ Hill writes In so doing they may find as I have by grace that being known is spiritually healthier

than remaining behind closed doors that the light is better than the darkness **Just as I Am** Robert Williams,1992 A gay Episcopalian priest discusses what it means to be a Christian homosexual biblical teachings that offer support the joys of lesbian and gay Christianity and how to reclaim one's faith after rejection by a religious community Faithful Conversation James M. Childs, Initiated by the ELCA seminary presidents this volume is aimed at engendering reflection and conversation Faithful Conversations includes five essays a table talk about how specific issues in the church are affected by these perspectives a select bibliography of further readings and directions on how the resource might be used **Gay? Love Like Jesus** Carol A. Ranney,2012-11-01 Christians love like Jesus According to the gay community we're mostly a far cry from that And why should we care Because Jesus whom we claim to follow told us that loving God and loving our neighbors in all their diversity is what He wants us to do Something is wrong when following scripture leads us to reject the people next door instead of loving them It's time we re-examine what the Bible says and look again at how we as individuals and as the church relate to LGBT persons There is an epidemic of suicides going on right now that the church has yet to address Every day 11 children teens and young adults take their own lives Too frequently it is because they are bullied because they are or are thought to be gay Unwittingly Christians can fuel the negative power of gay by rhetoric and rejection unsupported by the Bible Surprisingly evangelical Christians and LGBT advocates have something very important in common their love for and concern about children and teens at a time when children are desperate for all the support they can find But the shouting matches between opposing views can obliterate the commonality that we along with our children so badly need As Christians we must take the first steps toward bringing about reconciliation Loving our neighbors requires it and the daily deaths of our children demands it What does being gay mean and what does the Bible actually have to say about it Knee jerk reactions and cliché answers no longer work As Christians we are driving our own children from our families and gays from the doors of our churches Together as parents as advocates for all our children and as responsible adults we can find acceptable compromises and workable programs to stop bullying and hate United we can offer all our children the support hope and love they so need It's time for us to break the silence about gay <https://www.createspace.com/3967748> 7 95 or on Kindle 2 99 From Queer To Christ George Carneal,2016-08-28 George Carneal author of From Queer to Christ grew up in the 70s raised by a Southern Baptist minister in the ultra conservative Bible Belt For years he struggled with his Christian faith and a same sex attraction George shares his painful journey through a queer culture fantasyland filled with drag queens drugs and dangerous situations a secular world at odds with homosexuality in addition to a religious world that is hostile to homosexuals before discovering healing joy and peace in Christ Perhaps sharing his journey through the eyes and mind of a confused child dealing with a same sex attraction will give some insight into the pain and difficulty of navigating these two worlds George would eventually spend 25 years immersed in the homosexual lifestyle mostly in the Los Angeles club scene and shares the pitfalls of that life His story is not about glamorizing a life he once lived This is merely his journey and what

Powerfully insightful book I am not aware of a more valuable first resource to help shape our thinking on this very contemporary issue Dr Fred G Zaspel Calvary Baptist Seminary Homosexuality is one of the most controversial moral issues of our day Headlines teem with stories of athletes coming out politicians changing positions and courts handing down same sex marriage rulings Sadly the church has often been afraid to talk about homosexuality Many Christians feel confused and divided between the call to love and the call for truth And many who struggle with unwanted same sex attraction feel alone and alienated by the church The time is ripe for God's people to think and speak about same sex attraction in a way that is both biblical and beneficial We must reject our fears and misunderstandings and see ourselves together in need of the grace of Jesus Love Into Light is designed to move the church toward that end Written from the heart of a pastor with a love for people and a sensitivity to our culture Love Into Light is your next step toward becoming more faithfully and helpfully engaged with people in your families in your church and in your neighborhood **The Lesbian and Gay Christian**

Movement Sean Gill, 1998 Founded in 1976 the Lesbian and Gay Christian Movement LGCM has become the largest and most prominent group in Britain fighting to change the Christian Church's attitudes towards homosexuality This book looks at LGCM's position **Openly Gay, Openly Christian** Rev Samuel Kader, 2013-12 The Bible really is gay friendly and affirming says Rev Samuel Kader as he shows in his ground breaking book what lessons can be learned from Scripture history and experience Here is direct language we find what is really contained in the Bible regarding homosexuality and gay

relationships and the results are truly surprising Jonathan an Old Testament Isrealite was probably not only gay but in love with the same man David as his sister Both brother and sister had a marriage ceremony of life commitment to King David in the Biblical account But David declared he loved Jonathan the most Ruth proclaimed undying love and commitment to her dear Naomi and the words were so powerful that at heterosexual weddings ever since people repeat the same vows at the altar These issues and more are explored by Rev Samual Kader a pastor in the flow of the gay Christian movement since 1975 Scriptural and anecdotal evidence is given to show that gay and Christian is a powerful move of God on earth Rev Kader s pastoral and personal insights make this pioneering book a must read for all people
