The Last Train To Scarborough

Andrew Martin

The Last Train To Scarborough:

The Last Train to Scarborough Andrew Martin, 2013 It is the eve of the Great War and Jim Stringer railway detective is uneasy about his next assignment It is not so much the prospect of Scarborough in the off season that bothers him or even the fact that the last railway man to stay in the house has disappeared It is more that his boss seems to be holding back details of the case *Last Call for the Dining Car* Michael Kerr, 2011-08-15 Ever since Paul Theroux embarked in London on the first train of his Great Railway Bazaar railways have been a rich source for the best travel writing This is truer than ever in the twenty first century As the environmental implications of relentless air travel cast an ominous shadow over the prospect of foreign adventure the opportunity to jump on a train at St Pancras and be whisked straight to the continent offers a wonderful alternative Train travel has assumed a new pragmatic importance as well as romance which is no doubt why so many more tour companies are offering a great train ride as part of their holiday itineraries Now Michael Kerr the Telegraph's deputy Travel Editor has burrowed deep in the newspaper's archives and collected together the very best of its writings about the railway here are journeys non stop from London to Vladivostok across the Canadian Rockies the first train to traverse Australia from Darwin to Alice Springs and on the teeming crawling travelling adventure of Indian railways In scenes much more familiar to the British commuter Boris Johnson discovers his inner McEnroe thanks to signal failure in the Midlands and Michael Palin samples the delights of British Rail Inter City This is an anthology that will appeal to the railway buff and the armchair traveller alike to anyone who has ever Inter railed in their youth and everyone nostalgic for the days when the only way to cross a continent was by train **Night Trains** Andrew Martin, 2017-02-09 Night trains have long fascinated us with the possibilities of their private sleeping compartments gilded dining cars champagne bars and wealthy travellers Authors from Agatha Christie to Graham Greene have used night trains to tell tales of romance intrigue and decadence against a rolling background of dramatic landscapes The reality could often be as thrilling early British travellers on the Orient Express were advised to carry a revolver as well as a teapot In Night Trains Andrew Martin attempts to relive the golden age of the great European sleeper trains by using their modern day equivalents This is no simple matter The night trains have fallen on hard times and the services are disappearing one by one But if the Orient Express experience can only be recreated by taking three separate sleepers the intriguing characters and exotic atmospheres have survived Whether the backdrop is 3am at a Turkish customs post the sun rising over the Riviera or the constant twilight of a Norwegian summer night Martin rediscovers the pleasures of a continent connected by rail By tracing the history of the sleeper trains he reveals much of the recent history of Europe itself The original sleepers helped break down national barriers and unify the continent Martin uncovers modern instances of European unity and otherwise as he traverses the continent during interesting times with Brexit looming Against this tumultuous backdrop he experiences his own smaller dramas as he fails to find crucial connecting stations ponders the mystery of the compartment dog and becomes embroiled in his very own night train

whodunit To the Sea by Train Andrew Martin, 2025-07-31 THE TOP TEN SUNDAY TIMES BESTSELLER Vividly conjures a lost age FINANCIAL TIMES Hugely entertaining EVENING STANDARD A feast of anecdotal SUNDAY TIMES Throughout the twentieth century the seaside service posters of Britain's railways promised fresh air and frivolity to millions of urban dwellers with the phrase To the sea by train A staple of modern British life the seaside getaway was intertwined with the train in whose compartments holidaymakers were shunted from smog choked cities to sandy coves With his signature wit and anecdotal style Andrew Martin captures an era defined by its railways from the development of Brighton and Scarborough into pleasure resorts and the introduction of bank holidays and two day weekends to the advent of cheap flights and the British coast's subsequent decline Humorous and evocative To the Sea by Train takes a charming tour through Britain's most beloved pastime A standalone classic COUNTRY LIFE Infectious SPECTATOR *Death on a Branch Line* Andrew Martin, 2009-04-02 The period detail is wonderful The story builds up a good head of steam early on and rattles along nicely to a satisfying conclusion Guardian It's the summer of 1911 and as Britain is gripped by paranoia about German spies and secret preparations for war railway detective Jim Stringer decides to set out for a much needed holiday But before he can leave he finds himself escorting a young aristocrat Hugh Lambert who is on his way to be executed for the murder of his father When Hugh warns that a second murder is imminent in his isolated village Jim sees a chance to kill two birds with one stone And so as he visits the village with his wife Lydia on the pretext of holidaying Jim finds he has one weekend in which to stop another murder and unravel a conspiracy of international dimensions Eccentric and engaging Sunday Times Enough historical details and rural oddbods for a BBC serial a baffling plot and most importantly good writing Scotland on Sunday Praise for the Jim Stringer series Breathe in the heady mixture of smoke oil and steam and the odd spot of real ale and feel the crunch of cinders beneath your feet you're in historic railway territory again Manchester Evening News Finely honed crime novels with plotting as precise as a Swiss watch Daily Express This series is really building up a head of steam Observer Readers love Jim Stringer railway detective It's hard to envisage anyone not warming to Jim Stringer Independent An unlikely sleuth ingenuous naive and a little anxious but an endearing narrator a solid bloke who'd be good company over a pint of stout down the pub Telegraph The best sleuth that 200 years of the railways have ever produced Independent on Sunday **Underground, Overground** Andrew Martin, 2012-04-26 Why is the Victoria Line so hot What is an Electrical Multiple Unit Is it really possible to ride from King's Cross to King's Cross on the Circle line The London Underground is the oldest most sprawling and illogical metropolitan transport system in the world the result of a series of botch jobs and improvisations Yet it transports over one billion passengers every year and this figure is rising It is iconic recognised the world over and loved and despised by Londoners in equal measure Blending reportage humour and personal encounters Andrew Martin embarks on a wonderfully engaging social history of London's underground railway system which despite its name is in fact fifty five per cent overground Underground Overground is a highly enjoyable witty and informative history of

everything you need to know about the Tube *Blood on the Tracks* David Brandon, Alan Brooke, 2010-12-26 Between 1835 and the 1850s railway mania blossomed around Britain Crime emerged as the railways developed at first opportunistic crimes such as fare evasion and robberies but gradually more inventive forms evolved notably the minor clerk Redpath in the 1850s whose shameless cooking of the books to live the high life exposed the lack of any kind of accountancy across the railway industry The first train murder was not until the 1840s and sparked great fear of foreigners as a German was charged and hanged for the crime The outcry resulted in the communication cord being introduced to the railway carriages so that no longer would they exist as completely separate spaces and passengers could alert the driver to any assault within This fascinating history covers all varieties of crime on the railways and how it has changed over the years from assaults and robberies to theft of goods murder vandalism football and other crowd activity suicide on the line fraud and white collar crime and also looks at the use of railway crime in film and literature *When the World Reeled* Cyril Ranger Gull, 1924

The White Whale James Phillips, 2014-11-13 You remember when we started to hunt whales again We fought monsters and we killed them and wrestled the oil from their dead bodies and we sold it In the future we hunt whales for the oil in their bodies Just like they did in centuries past The oil of a single whale can run an army for a week This is new science This is our future So we send gangs of men out onto the dark cold sea to bring back the things we need The crew of the Pequod are going to sea because it's their job But Ahab captain of the Pequod is not going to sea for the oil or for the money Ahab is going for revenge Revenge on the vast whale that took him down into the black depths of the ocean Revenge on the greatest whale in all the oceans a perfectly white whale And Ishmael a young man new to whaling is going to sea seeking a hunter's violence trying to stop the thoughts of violence in his heart And we are all going with them The White Whale premiered on 4 September 2014 at Leeds Dock UK in a production by Slung Low theatre company *Belles and Whistles* Andrew Martin, 2014-09-04 In the heroic days of rail travel you could dine on kippers and champagne aboard the Brighton Belle smoke a post prandial cigar as the Golden Arrow closed in on Paris or be shaved by the Flying Scotsman's on board barber Everyone from schoolboys to socialites knew of these glamorous named trains and aspired to ride aboard them In *Belles and Whistles* Andrew Martin recreates these famous train journeys by travelling aboard their nearest modern day equivalents Sometimes their names have survived even if only as a footnote on a timetable leaflet but what has usually if not always disappeared is the extravagance and luxury As Martin explains how we got from there to here evocations of the Golden Age contrast with the starker modern reality from monogrammed cutlery to stirring sticks from silence on trains to tannoy announcements from compartments to airline seating For those who wonder whatever happened to porters dining cars mellow lighting timetables luggage in advance trunk murders the answers are all here Martin's five journeys add up to an idiosyncratic history of Britain's railways combining humour historical anecdote and reportage from the present and romantic evocations of the past *Beside the Seaside* John Heywood, 2020-01-24 An entertaining illustrated history of over 4

centuries of life among the seaside resorts along the Yorkshire coast Almost all of us have happy memories of excursions and holidays spent beside the sea For many these include the Yorkshire coast which runs unbroken for more than one hundred miles between the two great rivers the Tees and the Humber Within those boundaries are the popular seaside resorts of Whitby Scarborough Filey and Bridlington as well as numerous smaller and quieter but equally well loved destinations How did the love affair with the area start and how did it develop Over the years all the ingredients for the perfect holiday are there the spas the sea and sun bathing board and lodgings entertainment and just as importantly the journeys there and back Beside the Seaside takes a detailed but entertaining look back at the history of these resorts over the last four hundred years and asks What does the future hold Packed with information this book is fully illustrated with photographs old and new together with paintings and etchings Coupled with the thoughts and memories of tourists and travellers from the 17th century through to the present time it gives a fascinating insight into how our ancestors would have spent their time at the coast Evocative and intriguing absorbing and surprising John Heywood s book will appeal both to those familiar with the area and to others who just enjoy being Beside the Seaside Praise for Beside the Seaside While the author delights the reader with some splendidly nostalgic content with illustrations to match there s also some reflection on the changing times a current renaissance and future possibilities A good book to take with you on your hols Best of British July 2018 Book of the Month A brief but fascinating history of the popular seaside resorts of God s own country Who Do You Think You Are Magazine John s fabulous book examines people s fascination with and love of seaside resorts in Yorkshire and the evocative photographs and excellent text make this one of the finest advertisements for such resorts to have ever been published Brilliant Books Monthly

RAVENSCAR VILLAGE LIFE Eileen Beaumont,2016-07-27 In a remote coastal area of North Yorkshire lies Ravenscar a village steeped in fascinating history This story provides an insight into everyday life spanning over a century commencing in the mid eighteen hundreds through to the nineteen eighties charting the lives of country folk through two world wars and beyond It is an account of enterprising businessmen and happy times documenting how we used to live Eileen Beaumont hails from a farming family in Ravenscar Upon leaving Scarborough Girls High School she progressed to a career in banking Subsequently Eileen acquired a small private hotel overlooking Peasholm Park After many years research she has amassed a wealth of information and photographs describing a concise social history of life in the village **The Somme Stations** Andrew Martin,2011-03-03 WINNER OF THE ELLIS PETERS AWARD Superb Lancashire Evening Post Richly satisfying Sunday Telegraph On the first day of the Somme enlisted railwayman Jim Stringer lies trapped in a shell hole smoking cigarette after cigarette under the bullets and the blazing sun He calculates his chances of survival even before they departed for France a member of Jim s unit had been found dead During the stand off that follows Jim and his comrades must operate by night the vitally important trains carrying munitions to the Front through a ghostly landscape of shattered trees where high explosive and shrapnel shells rain down Close co operation and trust are vital Yet proof piles up of an enemy

within and as a ferocious military policeman pursues his investigation into the original killing the finger of accusation begins to point towards Jim himself The real achievement of *The Somme Stations* is the bravura picture the reader is given of men in war a war receding in time as the last participants die but which Martin subtly allows to stand in for all conflicts Barry Forshaw Independent Praise for the Jim Stringer series Breathe in the heady mixture of smoke oil and steam and the odd spot of real ale and feel the crunch of cinders beneath your feet you re in historic railway territory again Manchester Evening News Finely honed crime novels with plotting as precise as a Swiss watch Daily Express This series is er really building up a head of steam Observer Readers love Jim Stringer railway detective It s hard to envisage anyone not warming to Jim Stringer Independent An unlikely sleuth ingenuous naive and a little anxious but an endearing narrator a solid bloke who d be good company over a pint of stout down the pub Telegraph The best sleuth that 200 years of the railways have ever produced Independent on Sunday

Steam Trains Today Andrew Martin,2021-04-29 A delightful book the perfect companion as you wait for the 8 10 from Hove Observer After the Beeching cuts of the 1960s many railways were gradually shut down Rural communities were isolated and steam trains slowly gave way to diesel and electric traction But some people were not prepared to let the romance of train travel die Thanks to their efforts many lines passed into community ownership and are now booming with new armies of dedicated volunteers Andrew Martin meets these volunteer enthusiasts finding out just what it is about preserved railways that makes people so devoted From the inspiration for Thomas the Tank Engine to John Betjeman s battle against encroaching modernity *Steam Trains Today* will take you on a heart warming journey across Britain from Aviemore to Epping

The Yellow Diamond Andrew Martin,2015-11-03 Detective Superintendent George Quinn Mayfair resident and dandy with a razor sharp brain has set up a new police unit dedicated to investigating the super rich When he is shot in mysterious circumstances DI Blake Reynolds is charged with taking over But Reynolds hadn t bargained for Quinn s personal assistant the flinty Victoria Clifford who knows more than she s prepared to reveal The trail left by Quinn leads to a jewellery theft a murderous conspiracy among some of the most glamorous and richest Russians in London and the beautiful Anna who challenges Reynolds professional integrity Reynolds and Clifford must learn to work together fast or risk Quinn s fate Set in the heart of twenty first century Mayfair a world of champagne Lamborghinis and Savile Row suits *The Yellow Diamond* is a brilliant new venture from one of our best loved crime authors meticulously plotted wonderfully humane and hugely enjoyable

Transport and Its Place in History David Turner,2020-06-07 Transport and mobility history is one of the most exciting areas of historical research at the present As its scope expands it entices scholars working in fields as diverse as historical geography management studies sociology industrial archaeology cultural and literary studies ethnography and anthropology as well as those working in various strands of historical research Containing contributions exploring transport and mobility history after 1800 this volume of eclectic chapters shows how new subjects are explored new sources are being encountered considered and used and how increasingly diverse and innovative methodological lenses

are applied to both new and well travelled subjects From canals to Concorde from freight to passengers from screen to literature the contents of this book will therefore not only demonstrate the cutting edge of research and deliver valuable new insights into the role and position of transport and mobility in history but it will also evidence the many and varied directions and possibilities that exist for the field s future development *Whitaker's Shorts: Five Years in Review* Bloomsbury Publishing,2013-11-07 Now in its 146th edition Whitaker s Almanack is the definitive reference guide containing a comprehensive overview of every aspect of UK infrastructure and an excellent introduction to world politics Available only as ebooks Whitaker s Shorts are selected themed sections from Whitaker s Almanack portable and perfect for those with specific interests within the print edition Whitaker s Shorts Five Years in Review includes a digest of the year s events from 2008 9 to 2012 13 in the UK and abroad and articles covering subjects as diverse as Archaeology Conservation Business and Finance Opera Dance Film and Weather There is also an A Z listing of all the results for the major sporting events from Alpine Skiing through to Fencing Football Horse Racing Polo and Tennis The Railway Magazine ,1904 *Traffic Cases* Great Britain. Transport Tribunal,1881 Regimental Annual Great Britain. Army. Sherwood Foresters (Nottinghamshire and Derbyshire Regiment).,1910
