

The background of the book cover is a detailed illustration in a classical, etched style. It depicts a large sea monster, resembling a kraken or a giant squid, with multiple tentacles reaching up from the water. One large tentacle is wrapped around the hull of a sailing ship, while others are shown attacking or grasping at the ship's rigging and masts. The sea is rendered with intricate, swirling lines to represent waves and currents. The overall color palette is muted, with shades of blue, grey, and white.
