The Life Of A Sex Addict:

Sex Addiction: The Partner's Perspective Paula Hall, 2015-08-20 Sex and pornography addiction are growing problems that devastate the lives of partners as well as sufferers. Sex Addiction: The Partner's Perspective has been written to help partners and those who care about them to survive the shock of discovering their partner is a sex addict and to help them make decisions about the future of their relationships and their lives. First and foremost it is a practical book full of facts and self help exercises to give partners a much needed sense of stability and control. Like its sister book *Understanding and Treating Sex Addiction* it includes case examples and survey results revealing the reality of life for partners of sex addicts. Sex Addiction: The Partner's Perspective is divided into three parts. Part I explores the myths surrounding sex addiction and provides up to date information about what sex addiction is and what causes it before moving on to explain why the discovery hurts partners so much. Part II is about partners needs and includes self help exercises and strategies to help partners regain stability, rebuild self esteem and consider their future. The controversial topic of co dependency is also explored with guidance on how to identify it, avoid it and overcome it. Part III focuses on the couple relationship starting with the difficult decision of whether to stay or leave. Whatever the decision, partners will then find help and support for rebuilding trust and reclaiming their sexuality. This book has been written to help partners not only survive but to grow stronger and move on with their lives, whether alone or in their relationship. Readers will find revealing statistics and real life stories shared by partners who kindly took part in the first UK survey of sex addiction partners. This book will be a valuable guide for partners but also for the therapists who seek to support them on their journey of recovery. *My Secret Life as a Sex Addict* Paulina

Pantyleva, 2023-04-24 It was only the fourth day of the cruise and I was already on my seventh penis. I met Jack at the pizza station by the pool. I went there to binge on pizza partly because pizza is delicious and partly to punish my bad behaviors with food. I just wanted to gorge myself with cheese crust and soda like a bloated tick. Jack: Hey I've seen you around. This pizza isn't the greatest. After a few minutes of small talk, the next thing I know I'm on my knees in the closest men's bathroom to the pizza station. No kissing, no foreplay, just c k in my mouth. Thank you so much, I needed that so badly. I was going crazy hanging out with my wife and kids this entire cruise. I gotta go. I'm not really sure how I find myself in these kinds of situations. It seems to only happen to me. Somehow I attract random men to do this. I don't even like to suck c k. Much less a guy. I don't even know who has a wife and kids. Stranger. C k is disgusting, so why did I suck it? What the f ck is wrong with me? It is said that once the pain of the addiction is greater than the reward, that is when change occurs. Sex addiction is a shameful topic. There are some books written for male sex addicts but few from a female sex addict's point of view. I am an American middle class mom who works as a physician. I was smart enough to get a medical degree and to live a seemingly beautiful suburban soccer mom life. Until the age of 49 I lived with significant anger, resentment, shame and guilt about myself and my behavior. I couldn't live like this anymore, riding this sickening merry go round of bingeing, sexing, regretting, crying and

still acting out I was turning 50 this year and had to fix my mental and physical health I did not want to hit the milestone of age 50 Still a mess This is my story This is a true story about a middle aged woman who has suffered with sex addiction and food addiction for most of her life This book takes you on her life journey from the incidents that caused her to become a sex addict stories of acting out her sexual compulsions how she recovered from her sex addiction and how she repaired the collateral damage to her relationships Pouring into an Empty Vessel Mary Gillespie,2015-12-22 As the world emphasizes sex to a greater degree more and more people find themselves dealing with sexual addiction either their own or that of a loved one It is important that we begin to recognize and understand this problem so that it can be addressed With that in mind this memoir shares author Mary Gillespie's personal story about a complicated marriage They met and married young and when Gillespie's husband Will surrendered his life to the ministry they began their journey in the ministry together On the surface things seemed fine but there were many signs and indicators in their marriage that things were not right When he was caught in an affair and diagnosed as having a sex addiction she stayed with him determined to discover the source of the addiction to work through the problem and to forgive him But after his death she learned that he had fallen back into his dark life leaving her grieving both that and his loss She struggled with her emotions wanting desperately to understand the illness Pouring into an Empty Vessel My Life Married to a Sex Addict helps you understand the life and pain of a sex addict and that of the partner Though the spouse can do little to help the addict you can learn how to endure the helplessness of being unable to help and how to help yourself survive *Sex Addiction and Real Life Stories* T. D. Johnston,2012-10-01 Although still considered a taboo subject sex addiction has become a secretly growing epidemic in today's society The advent of social media the easy access to free sexual content on the internet and the ability to remain anonymous in the exchange of these sexual activities has made it very easy for those with addictive personalities to lose control It is believed that between three and six percent of the American population is suffering from some form of sexual addiction Because this type of addiction is behavioral it is important to first understand exactly what sex addiction is before determining whether you or a loved one needs help According to research those who were raised with dysfunctional families or experienced abuse as a child are more likely to become sex addicts Many sex addicts have been abused sexually as children and a great number describe their parents as being distant and uncaring It is not uncommon for these individuals to come from families with histories of substance abuse as well Part of what makes sex addiction such a difficult problem to deal with is the fact that sex is such an important part of our existence In fact it is much like food in that it is necessary for survival Overcoming the addiction and learning how to have a healthy meaningful sexual relationship is crucial It is safe to assume that because you are reading this book you suspect that either you or someone you know is suffering from sex addiction While a professional is the only one who can truly diagnose such an addiction by making note of the following behaviors and taking the self assessment quiz you should be able to determine whether or not there is a problem *Sex Addiction* Sarah

LPC,2015-02-23 The book Sexual Addiction Understanding and Treatment introduces graduate level students to the field of sexual addiction Graduate schools seek a textbook that specifically addresses the dynamics of sex addiction to complete their counseling education curriculum Some professors have indicated that there is a dearth of targeted instructional content This book fills that need As a compendium of Dr Carnes research related to the treatment of sexually addicted men and women the book will serve as clinical manual for therapists Therapists are invited to use the recovery program presented as an effective treatment regimen for sex addicts Internet pornography addicts men and women who have a weakness for sexual stimulation One estimate is that as much as half of the male population and a third of the female population are addicted to pornography The need for a relevant clinical tool is real As such the book contains thirty six therapeutic exercises to help

sexually addicted men and women in conjunction with sex addiction therapy to achieve long term sexual sobriety Reclaim Your Life Fai Seyed Aghamiri, 2020-10-06 If you or your loved one is stuck in the vicious cycle of porn sex addiction and tired of living a double life then reading this Guide to Holistic Recovery from Sex Addiction will be the first step you take towards finding optimal lifelong solutions This book explains simply how sex addiction is considered a chemical imbalance which impacts the brain in a similar way to other addictive substances such as heroin The author gives an honest representation of this condition based on the latest research and brain science while encouraging the reader to build compassion and understanding towards sex addicts The author emphasises that sex addiction is not about simply liking sex too much rather craving it too much The reasons why some people become dependent on sex are explored and a path to recovery is given in this book which also includes honest stories told by addicts and their partners She has practiced both in the UK and Australia having graduated from the Karolinska Institute of Stockholm Sweden as an accomplished dental oral surgeon Now as a skilled and empathic professional counsellor and psychotherapist Dr Fai Seyed has been supporting adolescents adults couples and families through a wide range of life s challenges Currently Dr Fai is writing a PhD on sex addiction and its impact on intimate partners overall wellbeing She lives in Brisbane Australia and practices as the principal therapist and director of House of Hope Counselling and Psychotherapy Centre

The Myth of Sex Addiction David J. Ley, 2014-07-10 The media today is filled with powerful men in trouble for their sexual behaviors and invariably they are diagnosed as sexual addicts Since Adam first hid his nakedness from God and pointed the finger at Eve men have struggled to take responsibility for their sexuality Over the past three decades these behaviors have come to reflect not a moral failing but instead evidence of an ill defined disease that of sexual addiction The concept of sexual addiction is a controversial one because it is based on questionable research and subjective moral judgments Labeling these behaviors as sex addiction asserts a false dangerous myth that undermines personal responsibility Not only does this epidemic of sex addiction excuse mislabel male sexuality as dangerous and unhealthy but it destroys our ability to hold people accountable for their behaviors By labeling males as weak and powerless before the onslaught and churning tide of lust we take away those things that men should live up to personal responsibility integrity self control independence accountability self motivation honor respect for self and others In *The Myth of Sex Addiction* Ley presents the history and questionable science underlying this alleged disorder exposing the moral and cultural judgments that are embedded in the concept as well as the significant economic factors that drive the label of sex addiction in clinical practice and the popular media Ley outlines how this label represents a social attack on many forms of sexuality male sexuality in particular as well as presenting the difficulty this label creates in holding people responsible for their sexual behaviors Going against current assumptions and trends Ley debunks the idea that sex addiction is real or at least that it is as widespread as it appears to be Instead he suggests that the high sex behaviors of some men is something that has been tacitly condoned for countless years and is only now labeled as a disorder as men are being held accountable to

the same rules that have been applied to women He suggests we should expect men to take responsibility for sexual choices rather than supporting an approach that labels male sexual desire as a demonic force that must be resisted feared treated and exorcised

From One Addict to Another Dann Aungst,2013-04 From One Addict to Another is the brave retelling of one man s experience with sexual addiction The author who feels called by God to share his personal story in order to help other sex addicts as well as strengthen his own recovery describes a childhood of pain and loneliness that left him aching for wholeness his awakening sexuality and the false promises of fulfillment it offered and his descent into a life of lies and compulsive out of control behavior that nearly destroyed his marriage and life When the consequences of his altered reality begin to unfold Aungst attempts to find help if only to appease his loved ones as first Then guided by supportive friends and community he encounters Jesus and begins the long and arduous climb out of this destructive way of life and toward true recovery He begins healing and building a life centered around a relationship with God a life where he finally finds the love to fill the void in his soul Includes concrete advice and tips for other men struggling with sex addiction from someone who has been there himself This is a compelling story of pain and despair hope and surrender a must read for anyone dealing with the devastation of sexual addiction

A Stranger Among Us D.E. Wilkie,2015-07-07 In *A Stranger Among Us* Mr Wilkie fearlessly confronts everything that most of us don t know or understand about sexual addiction Whether this is your battle or you have a loved one struggling with it the author provides an honest in depth first hand account that is both professional and personal In an era when addiction is a societal epidemic here is an author who is not only prepared but equipped to throw out a lifeline For not only does he bravely share his own personal struggles he also provides insightful recommendations from countless therapists and other professionals in the field Sex addicts need to read this book in order to discover the tools that will free them from the bondage of addiction and offer the hope needed to escape isolation Friends relatives and co workers of a sex addict need to read the book in order to be empowered with constructive ways to help and offer love and support without judgment or condemnation Jo Ann Schultz Early on in his book Mr Wilkie writes It is not what we do that determines who we are it is who we are that determines what we do It has been my privilege to watch Mr Wilkie on this very difficult spiritual journey of recovery and discovery Even though I have not battled with sexual addiction the universal principles that he lays out in the book have opened the door to new discoveries and have enabled me to recognize that real change happens from the inside out The depth of one s true identity will surface from this must read Corrina L Fischer Irrespective of people s opinions on addiction Mr Wilkie explains sexual addiction from both a personal and professional perspective His holistic approach simultaneously addresses the body soul and spirit and gives a refreshing insight to the incredible raw journey of a sex addict and their need for a power greater than themselves He provides many helpful resources including a workbook section which allows the reader to work through the recovery principles he describes throughout the book Didier Milliquet
