life and the possibilities they offer today In *Animal Spirits* the distinguished historian Jackson Lears explores an alternative American cultural history by tracking the thinkers who championed the individual's spontaneous energies and the idea of a living universe against the strictures of conventional religion business and politics From Puritan times to today Lears traces ideas and fads such as hypnosis and faith healing from the pulpit and stock exchange to the streets and the betting table We meet the great prophets of American vitality from Walt Whitman and William James to Andrew Jackson Davis the Poughkeepsie Seer and the New Thought pioneer Helen Wilmans who spoke of the god within rendering us diseaseless incarnations of the great I Am Well before John Maynard Keynes stressed the reliance of capitalism on investors animal spirits these vernacular vitalists established an American religion of embodied mind that also suited the needs of the marketplace In the twentieth century the vitalist impulse would be enlisted in projects of violent and racially charged national regeneration by Theodore Roosevelt and his legatees even as African American writers confronted the paradoxes of primitivism and the 1960s counterculture imagined new ways of inspiring the universe Today scientists are rediscovering the best features of the vitalist tradition permitting us to reclaim the role of chance and spontaneity in the conduct of our lives and our understanding of the cosmos Includes 8 pages of black and white images

The Child in Film Karen Lury, 2010-03-30 Ghastly and ghostly children dirty little white girls the child as witness and as victim have always played an important part in the history of cinema as have child performers themselves In exploring the disruptive power of the child in films made for an adult audience across popular films including *Taxi Driver* and Japanese horror and art house productions like *Mirror* and *Pan's Labyrinth* Karen Lury investigates why the figure of the child has such a significant impact on the visual aspects and storytelling potential of cinema Lury's main argument is that the child as a liminal yet powerful agent has allowed filmmakers to play adventurously with cinema's formal conventions with far reaching consequences In particular she reveals how a child's relationship to time allows it to disturb and question conventional master narratives She explores too the investment in the child actor and expression of child sexuality as well as how confining and conservative existing assumptions can be in terms of commonly held beliefs as to who children really are

The Orator J. J. Koehler, 2010-01-07 In this book of political fiction the author is trying to convey a message to the Latino people of this country and at the same time attempting to unmask the ugly face of racism as it exists today in the U S not only for Chicanos but also for other minorities in America He presents and counters all those false stigmas that have been laid at the feet of the Chicanos and Latinos of this country He presents the absurdity of the Chicanos and immigrants from Mexico being called aliens illegal and wetbacks He also addresses the biases in our legal system and how laws are used as vehicles of discrimination and oppression J J Koehler believes in his soul that laws as well as the hearts of men can be changed by presenting the truth from the perspective of the people who are the victims of these unjust laws and revealing the suppression these laws cause He exposes the lies and the real reasons why Latinos have been targeted in the psychological warfare being waged on them as a people He believes that
